CHAPLAIN'S CORNER

Philippians 4:4 says "Rejoice in the Lord always. Again I will say, rejoice!" Does that verse describe your life? Maybe not. With all that you and I face daily – the breakdown of society; our fellow Soldiers being knocked down by illegal immigrants; many of us being far from home and not able to do much about it; and so much more – is it truly possible to rejoice in the Lord ALWAYS? Consider the prophet Habakkuk. He witnessed evil and wickedness first hand, and grieved over the collapse and destruction of most everything he loved. And yet he wrote – "Though the fig tree may not blossom, nor fruit be on the vines; though the labor of the olive may fail, and the fields yield no food; though the flock may be cut off from the fold, and there be no herd in the stalls – Yet I will rejoice in the Lord, I will joy in the God of my salvation" (Habakkuk 3:17-18). Habakkuk was powerless to control his surroundings and circumstances. But he could control his response to God, and he decided to praise Him even in the midst of distress, because God is faithful and worthy of our praise...regardless. And if you haven't done this...genuinely...you're missing out on blessings such as Habakkuk discovered. Because he was able to say in the very next verse, "The Lord God is my strength; He will make my feet like deer's feet, and He will make me walk on my high hills." When things get tough, praise the Lord and rejoice in Him. What you'll discover in that moment will change everything..
