EAGLE PASS, Texas ([Camp Charlie](#)) — The Eclipse North American Tour 2024 kicked off in Eagle Pass Texas on Monday and the soldiers of Camp Charlie celebrated being the first city on the Eclipse Tour.

The day was filled with photo ops, Eclipse themed snacks and official Eagle Pass Eclipse Post cards (Donated by the Eagle Pass Arts Center) that soldiers filled out and to be sent back home.

Of Course, the highlight of the day was when the clouds cleared, and the total Eclipse appeared, and everyone got to experience total darkness for over four minutes.

## CHAPLAIN'S CORNER

When the three Hebrew children—Shadrach, Meshach, and Abednego—were thrown into a fiery furnace because of their faithfulness to God, King Nebuchadnezzar, came to witness their execution—but he was stunned to see not three but four men in the fire...and he recognized that the fourth man in the fire was none other than the Son of God (Daniel 3.19-25). Is there meaning in the meltdown? You bet there is! The good news is that when all that we have accumulated, all that we have clung to, all that we have relied on burns and melts away, there in the heart of the furnace we come face to face with the Fourth Man in the fire—the One whose name is Immanuel —*God with us*.

My brothers and sisters, in days like these, *there lies our hope*. There's a Fourth Man in the fire, and his name is Jesus—Immanuel, God with us. Here's the meaning in the meltdown: God is with us. God is for us—even, and especially, in the meltdown of this world and all the things we have thought that we could count on.
