CHAPLAIN'S CORNER

This mission continues for many of us are way past the 1-year mark, many more are coming up fast on 2-years (730) days on mission. This past week I was reminded from my own life and talking with a Soldier this past week, relationships are what is most important. That may be your relationship with your God in your faith tradition. It is also the family and friends who are closest to us throughout our life. If you are like me maintaining key relationships has been a challenge after multiple missions over the past 5 years. A few steps to ponder. Realize you want to feel closer to God, and to others in your life. Give yourself some grace life has been challenging to say the least. Start where you are today, send a text or prayer, saying hey I am sorry for having been away for a while, fallen out of touch. It has been a while; I have missed our talks. I look forward to smiling and laughing again with you. The years are going by fast, this uniform will come off and maybe hung in the back corner of our closet one day. The relationships in our lives are what matter most! Be encouraged to reach out and invest in them, they will be all we have once our military service is complete. They are why we put on this uniform, to serve and protect the ones we love. May the Lord make your love increase and overflow for each other and for everyone else, just as ours does for you. [1 Thessalonians 3:12](#) Thank you for all that you do each day! Blessings, CH Gerber

U.S. ARMY
— ESPORTS —

The U.S. Army Esports (USAE) Team is a highly successful, Department of the Army (DA) sanctioned program ran by the U.S. Army Recruiting Command & the Marketing and Engagement Brigade. The organization fields competitive teams, streaming talent, and commentators to represent the U.S. Army both online and in person at events across the nation. Our mission is simple: connect America to its Army through Soldiers' passion for gaming.

We are looking to expand its talent pool of Active Duty, Army Reserve, and National Guard Soldiers across select Esports genres and platforms to join our At-Large Team. All interested Soldiers should join the **DISCORD** server no later than **01FEB2023** to be considered for the teams and to receive additional instructions on the selection process and timelines
