High Deployment Allowance

The Texas Military Department (TMD) implemented a \$1000 High Deployment Allowance (HDA) to compensate personnel deployed more than 365 cumulative voluntary days served on Operation Lone Star (OLS).

TXANG and TXARNG personnel who have served on Operation Lone Star (OLS) more than 365 cumulative paid days are eligible to receive a \$1000 High Deployment Allowance (HDA), for every pay period serving on OLS beyond the first 365 cumulative paid days.

Effective 1 JAN 23, eligibility for HDA is achieved by serving at least 1 day in a paid status each monthly pay period beyond 365 cumulative paid days of service on OLS.

All SAD pay, to include basic pay, allowances, incentive pay, and special pay will be paid monthly. This includes all HDP-T, IDP, HDA, and BCP previously paid on any other frequency.

Camp Charlie is set to host two exciting events this January, starting with the South Texas, Blood & Tissue Blood Drive. This will be the Bloodmobile's 5th visit to Camp Charlie, and the records of past donations have fallen with each visit. So if you are in the Eagle Pass area January 19th-20th (1000-1500 each day) stop in and help us keep those donation records falling!

The Texas VFW returns to Camp Charlie on January 27th for "Smokin for the Troops II". This down home cook-out will include fresh off the grill, brisket, chicken and sausage. Sides will include cornbread, beans and potato salad, with our Storm Services team providing some homemade desserts. You will have two opportunities to join us (1100-1300) and (1700-1930). If you are in Eagle Pass stop in and participate and enjoy these special events.

Focus Your Life

The next ten years can be the greatest of your life. They can become a Decade of Destiny, where your life is focused and, as a result, you're able to make an impact in all you do.

To get where you believe God wants you to go and be what you know God wants you to be, there are several steps you need to take that will get you focused --

First, determine your present position -- You've got to know where you are before you can know where you are going. To do that, ask yourself two questions:

Where am I now? Where are you spiritually, financially, emotionally, relationally, physically, and occupationally?

What would I like to change? In all of those areas you identified, what would you like to be different?

God promised Abraham that he would become the father of a great nation. But in Genesis 24, we find Abraham is now an old man and his son, Isaac, still doesn't have any children yet. Abraham assessed the situation and, as a result, he sent his servant, Eliezer, to find a wife for Isaac.

An important principle here is that it is never too late for you to make a change in your life, even though making the change may take longer than you think. This is why you can't procrastinate. You can either drift through the next ten years or you can have direction over the next ten years. God wants you to have direction.
