CHAPLAIN'S CORNER

NEWS UPDATE

Where Do I Fit?

To maintain a proper view of God we must work to regularly affirm God's sovereign and authoritative role as the King and Shepherd of our lives. We cannot think accurately of God without consciously adjusting our view of ourselves. If God is the exalted Director and Guide, then we must purpose to see ourselves as his followers and learners.

The ancient worshippers of Israel regularly reinforced this essential perspective by singing lyrics like these from their inspired repertoire of worship songs: "Know that Yahweh is God! It is he who made us, and we are his; we are his people, and the sheep of his pasture" (Ps.100:3). Those may seem like obvious biblical affirmations, but how easily we are enticed to live as though this were not the case.

So, when you are tempted to see yourself as self-sufficient or self-directed, realize that your theology has instantly become heretical. For God to be God in our lives, we must rightly view ourselves as his obedient and responsive sheep, who are ready and willing to faithfully follow our Great Shepherd. Adopted from Crosswalk.com

Upcoming Releases

U.S. ARMY
— ESPORTS —

The U.S. Army Esports (USAE) Team is a highly successful, Department of the Army (DA) sanctioned program ran by the U.S. Army Recruiting Command & the Marketing and Engagement Brigade. The organization fields competitive teams, streaming talent, and commentators to represent the U.S. Army both online and in person at events across the nation. Our mission is simple: connect America to its Army through Soldiers' passion for gaming.

We are looking to expand its talent pool of Active Duty, Army Reserve, and National Guard Soldiers across select Esports genres and platforms to join our At-Large Team. All interested Soldiers should join the **DISCORD** server no later than **01FEB2023** to be considered for the teams and to receive additional instructions on the selection process and timelines

Join our **DISCORD** server here <https://www.discord.gg/usarmy esports>
