NEWS UPDATE

The Lord is my strength and my shield; My heart trusts in Him, and I am helped; therefore, my heart exults, And with my song I shall thank Him." Psalms 28:7 We have so much to be grateful for in this life, every single day. But reality is that sometimes constant life demands, battles, and worries give more room to defeat than to a heart of thanks. Or we forget, amid busyness and pressures, just to pause and give thanks for all that God has done and continues to do in our lives. Sometimes it really is a sacrifice to offer praise and thanks. We may not feel like it. We're struggling. We're weary. Or maybe, we feel like He let us down. We think God seems distant, like he's far away, or doesn't really care about what's troubling us. Painful life blows and losses might have recently sent us spiraling. But here's what can make a lasting difference. We have a choice, every day, to give him thanks. And with a heart of thanksgiving, we realize that no matter what we face, God doesn't just work to change our situations and help us through our problems. He does more. He changes our hearts. His power, through hearts of gratitude and focused minds on Him, releases the grip our struggles have over us. We're strengthened by His peace, refueled by His joy. No matter what our current situation, or the struggles we may be facing, give thanks to God.
