CHAPLAIN'S CORNER

The Lord is my strength and my shield; My heart trusts in Him, and am helped; therefore my heart exults, And with my song I shall thank Him." [Psalms 28:7](#)

We have so much to be grateful for in this life, every single day. But reality is that sometimes constant life demands, battles, and worries give more room to defeat than to a heart of thanks. Or we forget, in the midst of busyness and pressures, just to pause and give thanks for all that God has done and continues to do in our lives.

Sometimes it really is a sacrifice to offer praise and thanks. We may not feel like it. We're struggling. We're weary. Or maybe, we feel like He let us down. We think God seems distant, like he's far away, or doesn't really care about what's troubling us. Painful life blows and losses might have recently sent us spiraling.

But here's what can make a lasting difference. We have a choice, every day, to give him thanks. And with a heart of thanksgiving, we realize that no matter what we face, God doesn't just work to change our situations and help us through our problems. He does more. He changes our hearts. His power, through hearts of gratitude and focused minds on Him, releases the grip our struggles have over us. We're strengthened by His peace, refueled by His joy.

No matter what our current situation, or the struggles we may be facing, give thanks to God.

Governor Abbott, President Trump Serve Thanksgiving Meals To Operation Lone Star Service Members In Edinburg

Governor Greg Abbott and the 45th President of the United States Donald J. Trump today thanked and served meals to over 240 Texas National Guard soldiers, Texas Department of Public Safety (DPS) troopers, and other service members stationed on the border over Thanksgiving for Operation Lone Star (OLS) in Edinburg.

“Texas is forever grateful for our brave service members who work day and night to protect and defend our state and our nation,” said Governor Abbott. “I am proud to be with President Trump here today to thank the thousands of Texas National Guard soldiers and DPS troopers who are stationed along the border for Operation Lone Star to respond to President Biden’s border crisis. Just in time for Thanksgiving!

Brylee a First Grader from North Texas has been writing notes and sending handmade pictures to soldiers for two years.

While most of the pictures were delivered to soldiers on Veterans Day, this special box of pictures and letters was carried in by the TF-Eagle Mascot to the soldiers at Camp Charlie, just in time for the Thanksgiving Holiday.

Soldiers will receive these well wishes and enjoy the pictures with their Thanksgiving Meal as they spend time with their extended military family this holiday season.

All the soldiers of TF-Eagle would like to say a special thank you to Brylee and her family for all their support.
