Credentialing Assistance (CA) Program

<https://tmd.texas.gov/credentialing-assistance-program>

Overview

- The Army Credentialing Assistance (CA) program provides up to \$4,000 in funding for training, materials, fees, recertification and exams leading to an industry-recognized academic or vocational credential located on Army COOL.
- The Additional Service Obligation (ADSO) has been rescinded as of OCT21. All officers can utilize the CA program and will not incur an ADSO for CA use.
- Subject to recoupment if training is not passed or exam is not taken.

How Do I Qualify?

- NG Soldiers may begin work on their first credential upon successfully obtaining a CAC card.
- Must not be flagged.
- Holds related to: Student agreements, GPA, Military Withdrawal, Course Drop, or any other hold related to TA will **NOT** keep Soldiers from using the CA program.
- Soldiers can pursue any credential found in Army Credentialing Opportunities On-Line (COOL) and may work on multiple credentials simultaneously or sequentially. While multiple credentials can be requested, failure to submit grades (completion certificates) will create a hold on Soldier accounts preventing further requests from being submitted.
- CA is subject to the same funding ceiling as Tuition Assistance (TA). A Soldier may use both TA and CA; however, the combined usage by any Soldier shall not exceed the fiscal year (FY) TA limit. The Army reserves the right to limit the amount of CA funding that Soldiers can use for certain credentials.
- Before receiving CA, the Soldier must establish an ArmyIgnitED account. Account registration and activation may require Soldiers to update their personnel record through their unit S1 administrative office.
- Soldiers must sign the electronic user agreement acknowledging compliance with Army CA policies and procedures each time they create a CA request.
- Soldiers must declare a credentialing goal in terms of a credential. Only the Army Credentialing Assistance Program Office (ACAPO) can approve these goals.
