## NEWS UPDATE

**"Be on your guard; stand firm in the faith; be courageous; be strong." - 1 Corinthians 16:13**

*In December 1944, during the Battle of the Bulge, the German army launched a surprise offensive through the Ardennes Forest. The Belgian town of Bastogne, held by the 101st Airborne Division and elements of the 10th Armored Division, became a critical target due to its strategic road junctions. Surrounded and outnumbered, the American defenders, led by Brigadier General Anthony McAuliffe, famously responded "Nuts!" to the German demand for surrender. Despite harsh winter conditions and dwindling supplies, they held their ground until December 26, when General Patton's Third Army arrived, breaking the siege and playing a vital role in the Allied victory.*

**In the midst of life's battles, the concept of "holding the line" holds profound significance.** It evokes the image of soldiers steadfastly maintaining their positions against overwhelming odds. For Christians, it means standing firm in our faith, knowing that through God, all things are possible.
