Program covers 5 meals, lodging, and parking. This event is a MUTA 6 for anyone that has approval to attend ILO Drill. The SM will need to cover incidental fees, and Saturday Dinner. There will not be childcare at this event.

PEPPERBALL TRAINING!

The commitment to training remains unwavering for TF-Eagle instructors tasked with educating soldiers on PepperBall courses within the OLS Mission. The ever-changing environment of the OLS Mission underscores the critical importance of equipping service members with the necessary skills to utilize the non-lethal PepperBall system effectively.

The TF-Eagle Training Team, made up of SFC Landrum, SSG Collins, and SGT Lavalais, have traversed the Joint Operations Area (JOA) to ensure that soldiers receive comprehensive training and access to essential tools for safeguarding themselves against potential risks.

The successful execution of these classes and training sessions is a testament to the dedication and collaboration of instructors across The Texas Military Department. A profound appreciation is extended to all instructors for their pivotal role in enhancing the preparedness of our service members involved with the OLS-Mission.
