## CHAPLAIN'S CORNER

This last week we held a prayer walk on Padre Island. It was a nice change of pace and a time to meet new Soldiers on mission. We looked at a few thoughts one being a statement found in the book of Mathew in two different chapters. "The first will be last and the last will be first". It was a reminder that if we ever get to a point in our faith journey in which we feel we are in first, the opposite is true. We need to go back to step one and remember to love God and love others. If you find yourself in a prideful way thinking you are in some way more "holy" than others, reminder the disciples fell in this same trap. Rather, remember; God gets to make the decision who will be first and who will be last. My prayer is you will master step one Love God and love others, after all this is the greatest commandment. Have a blessed week! Thank you for all that you do each day!

-CH (MAJ) GERBER
