TMD Family Support Services Visits FOB Eagle!

Ricardo Quijano, Soldier and Family Readiness Specialist with the State Family Program, made a special visit to the Soldiers based at FOB Eagle in Eagle Pass Texas. The TMD Family Support Services Team are familiar faces to the Soldiers on OLS as they have a history of stopping by and offering information on programs that are beneficial to the soldiers and their families.

TMD Family Support Services is the umbrella organization for programs that provide care and support services to Service Members and Families during deployment and sustainment operations. Even though our Soldiers, Airmen, State Guard, equipment, and training are fully prepared to accomplish all State and Federal mission requirements, it is critical that their families are properly prepared and resourced to function during a spouse's absence, whether that may be responding to a natural disaster in Texas or fighting in Overseas Contingency Operations.

Save The Date!

We would like to also invite everyone to our annual Resource Fair that will be held on September 11, 2024 at FOB Eagle in Eagle Pass. If there are any military support groups interested in attending please email:

CHAPLAIN'S CORNER

This last week we held a prayer walk on Padre Island. It was a nice change of pace and a time to meet new Soldiers on mission. We looked at a few thoughts one being a statement found in the book of Mathew in two different chapters. "The first will be last and the last will be first". It was a reminder that if we ever get to a point in our faith journey in which we feel we are in first, the opposite is true. We need to go back to step one and remember to love God and love others. If you find yourself in a prideful way thinking you are in some way more "holy" than others, reminder the disciples fell in this same trap. Rather, remember; God gets to make the decision who will be first and who will be last. My prayer is you will master step one Love God and love others, after all this is the greatest commandment. Have a blessed week! Thank you for all that you do each day!
