Camp Charlie's MWR teamed up with the Eagle Pass Aquatics Center Team to introduce a "Shark Promo" highlighting the City of Eagle Pass Aquatics Center.

The focus was showcasing the abundant recreational opportunities available to our service members in Eagle Pass, and recognizing the significance of providing exceptional recreational facilities to ensure the well-being and readiness of our troops.

The City of Eagle Pass Recreation Department aims to emphasize the diverse recreational areas accessible to the military community. From skate parks, sports fields, and basketball/volleyball courts to the aquatics center and nature trails, Eagle Pass offers a comprehensive array of options to promote fitness and enjoyment. These efforts aim to enhance the quality of life for our deployed service members in Eagle Pass.

TF-Eagle Command Team understands the pivotal role of parks and rec activities in maintaining the health and morale of our Soldiers during OLS, so they support and encourage Soldiers to engage in the enjoyable activities offered.

This last week we held a prayer walk on Padre Island. It was a nice change of pace and a time to meet new Soldiers on mission. We looked at a few thoughts one being a statement found in the book of Mathew in two different chapters. "The first will be last and the last will be first". It was a reminder that if we ever get to a point in our faith journey in which we feel we are in first, the opposite is true. We need to go back to step one and remember to love God and love others. If you find yourself in a prideful way thinking you are in some way more "holy" than others, reminder the disciples fell in this same trap. Rather, remember; God gets to make the decision who will be first and who will be last. My prayer is you will master step one Love God and love others, after all this is the greatest commandment. Have a blessed week! Thank you for all that you do each day!
