Each TF will begin managing accountability in JRMS on their designated start date in parallel with PEMS.

NEWS UPDATE

Leadership built on equality and integrity:

"A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. They do not set out to be a leader but become one by the equality of their actions and the integrity of their intentions."

--- Douglas MacArthur

All good leaders have experienced the weight of and responsibility of leading others. OLS has provided many the opportunity to lead at all levels. The best leaders are the ones that focus on listening to the needs of others, rather than seeking the increased rank, title or pay grade. What I have learned over the years, is the best leaders have been the best followers.

My prayer this week for the OLS Mission is: we take the time to listen to our formations, our sections, our squads, and the people we lead. Only then are we able to be the leader that Douglas MacArthur is speaking of.
