OLS will soon begin parallel testing in JRMS!

That's right, OLS personnel will be the first users in JRMS as a part of our larger pilot initiative for the Texas Military Department. Each task force will receive notification of their official parallel testing start date NLT 10MAY.

Each TF will begin managing accountability in JRMS on their designated start date in parallel with PEMS.

On Monday, the City of Eagle Pass Team, led by City Manager, Homero Balderas, attended a Commanders Luncheon at Base Camp Charlie in Eagle Pass.

City officials had the chance to interact with soldiers from Texas, Louisiana, Missouri, Florida, and meet with the incoming TF-Eagle base commander LTC Scott Crawford.

Highlighting the afternoon was a City of Eagle Pass Appreciation Award presented to TF-Eagle Commander LTC Jeff Gilmore. The award was presented by the City Manager on behalf of the Mayor, and City Council Members in recognition for all his support to the city.

TF-Eagle and Camp Charlie would like to say thank you to The City of Eagle Pass citizens and elected officials for showing their kindness and support for all the soldiers that are here supporting the OLS Mission.

NEWS UPDATE

Leadership built on equality and integrity:

"A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. They do not set out to be a leader but become one by the equality of their actions and the integrity of their intentions."

--- Douglas MacArthur

All good leaders have experienced the weight of and responsibility of leading others. OLS has provided many the opportunity to lead at all levels. The best leaders are the ones that focus on listening to the needs of others, rather than seeking the increased rank, title or pay grade. What I have learned over the years, is the best leaders have been the best followers.

My prayer this week for the OLS Mission is: we take the time to listen to our formations, our sections, our squads, and the people we lead. Only then are we able to be the leader that Douglas MacArthur is speaking of.
