CHAPLAIN'S CORNER

Scripture: Luke 6:40 - "A disciple is not above his teacher, but everyone when he is fully trained will be like his teacher."
Reflection:

Serving in uniform is indeed a unique calling, one that emphasizes leadership at every level. In the military, we understand that every Soldier has the potential to lead, just as every disciple of Christ is called to reflect the character of our Teacher. The scene from *We Were Soldiers* illustrates this beautifully: when faced with a training scenario by the chopper when Mel Gibson says, "he is dead, and now your dead, you are next man up." The reality of leadership, we must be prepared to step up, make decisions, and guide others. This readiness is not just a skill, but a mindset rooted in training and growth. In our Christian journey, being a disciple means committing to learn, adapt, and grow so we can effectively lead others in faith, much like we lead in our duties. Each of us is called to stand in the gap, not only for those we serve with but for our families and communities.

Closing Thought:

As we navigate the challenges of our world, whether natural disasters or conflicts—let us remember that our true strength lies in our ability to lead and serve others. In every circumstance, may we rise to the occasion, embodying the qualities of our Teacher and empowering those we lead to do the same.
