CHAPLAIN'S CORNER

Luke 6:40 - "A disciple is not above his teacher, but everyone when he is fully trained will be like his teacher."

Serving in uniform is indeed a unique calling, one that emphasizes leadership at every level. In the military, we understand that every Soldier has the potential to lead, just as every disciple of Christ is called to reflect the character of our Teacher. The scene from *We Were Soldiers* illustrates this beautifully: when faced with a training scenario by the chopper when Mel Gibson says, "he is dead, and now your dead, you are next man up." The reality of leadership, we must be prepared to step up, make decisions, and guide others. This readiness is not just a skill, but a mindset rooted in training and growth. In our Christian journey, being a disciple means committing to learn, adapt, and grow so we can effectively lead others in faith, much like we lead in our duties. Each of us is called to stand in the gap, not only for those we serve with but for our families and communities.

- Chaplain Scott McKay -

Veteran's Day Program Color Guard Support From OLS

**Volunteers
needed**

Who: Robert J. Santos Elementary in Laredo Texas

POC: If you have interest please get with our change of command or please email ng.tx.txarng.list.ols-info@army.mil (please respond by Monday 28 Oct 24)

(POC for the event is Mrs. Melissa Alegria-Galvan 956-473-4310 malegria@uisd.net)

What: Presenting the colors. If y'all are able to do rifles that would be great, but I don't think that will be necessary for this ceremony. The school has an American and Texas flag with flag stand that the soldiers can use. They are just needing to present the colors and then they are free to stay if they want to but there will be no recovering of the flags.

Where: Location of the Event:

Roberto J. Santos Elementary
4201 Champions Way
Laredo, Texas 78045

When: November 15, 2024, at 0800

Why: For school Veterans Day ceremony

EXPLORE LIFE AT FOB EAGLE

FOB Eagle marks the next chapter in the rich history of military installations in Eagle Pass, Texas. When stationed at FOB Eagle, soldiers can anticipate mission work schedules and training, but they can also enjoy the benefits of this new base. It features various recreational options, including pickleball and basketball courts, a new gym as well as a MWR room equipped with study areas, pool tables, a media room, shuffleboard, and a TV/gaming area. While some may perceive FOB Eagle as being in the middle of nowhere, there's actually a wealth of activities to enjoy in the City of Eagle Pass, with fantastic dining options, city events and the vibrant southwestern lifestyle that will quickly grow on you. FOB Eagle is more than just a place to serve; it's a community where you can forge friendships, discover new interests, and create unforgettable memories. Embrace all that it has to offer and make the most of your time on FOB Eagle.

JRMS BETA Test Update:

"The ViQue scanner system supports JRMS by enabling digital scans of authorized IDs. ViQue scanners are a separate tool that can be used in conjunction with JRMS to allow for expedited daily accountability intake. Guidelines on how ViQue scanners will be incorporated are based on unit policy. See newsletter for additional details."

Newsletter Message:

JRMS Message:

"Joint Readiness Management System (JRMS) is a TMD developed software application developed to manage accountability and pays account for personnel on State Active-Duty (SAD) missions. JRMS' goal is to be considered as a replacement to the current accountability and pay systems. JRMS is currently in its first round of BETA testing also known as "parallel testing", phase with its biggest pilot audience being with Operation Lone Star and BorderStar are the current test audiences. As the TMD continues to develop this product for review and final decisioning, all official accountability and pay management records for SAD will continue to be managed through the current approved source of record until further guidance from TMD Leadership."

ViQue Message:

"The ViQue scanner system supports JRMS by enabling digital scans of authorized IDs. ViQue scanners are a separate tool that can be used in conjunction with JRMS to allow for expedited daily accountability intake. Accountability for SMs who are unable to scan in due to lack of availability of a Vique System in their AOR, lack of internet connectivity or any status in which they are not physically present to scan in such as "telework", "on pass", "on quarters" or etc. can be manually entered into JRMS by the clerk. from JRMS. It is not a clock-in system and can be updated manually if needed. Guidelines on how ViQues scanners will be incorporated with each unit or taskforce is based on unit policy and procedures."
