CHAPLAIN'S CORNER

Scripture: 1 Peter 5:7 (NIV) - "Cast all your anxiety on him because he cares for you."

In a world filled with uncertainty and challenges, anxiety can often feel overwhelming. Yet, this verse reminds us of a profound truth: we are not meant to carry our burdens alone. I have found that, God invites us to cast our anxieties on Him, highlighting His deep care for each of us. This act of casting isn't just a momentary release; it's a call to trust fully in His ability to handle our worries. It is also helpful to talk with a friend who listens well, pets I have found are also great listeners.

To "cast" means to throw off, to unload. It's an active choice we make to hand over our fears and concerns, recognizing that they are too heavy for us to bear. God's invitation to cast our anxieties also serves as a reminder of His unfailing love and support. He sees our struggles, understands our pain, and is ready to carry our burdens alongside us. Dear God, thank You for inviting me to cast my anxieties on You. Help me to let go of the worries that weigh me down and trust in Your care. Remind me daily of Your love and support and grant me peace during uncertainty. I place my concerns in Your hands, knowing that You are in control. Amen.- **Chaplain Scott McKay** -

Owning a Small Business

Veterans have the character, discipline and skills needed to succeed as small business owners and entrepreneurs. Wondering what it takes and how you can prepare? Enroll in Boots to Business Reboot.

About Boots to Business Reboot

Boots to Business Reboot is an entrepreneurial education and training program offered by the U.S. Small Business Administration (SBA). The course provides an overview of entrepreneurship and applicable business ownership fundamentals. Veterans of all ages, Active Duty Service members (including National Guard and Reserve) and spouses are eligible to participate.

During Reboot, participants are introduced to the skills, knowledge, and resources they need to launch a business, including steps for developing business concepts, how to develop a business plan, and information on SBA resources available to help. The program is facilitated by subject matter experts from the SBA and their extensive network of skilled business advisors.

Participants that complete an in-person or online B2B Reboot course can elect to further their study through one of many B2B online courses, offered at no cost to Service members, Veterans and military spouses. If you've already attended an in-person or online B2B Reboot course, visit sba.my.site.com to sign up for one of the online B2B follow-on courses.

The Boots to Business program is a proud partner of the U.S. Small Business Administration (SBA) and is a valued partner network. All B2B services are provided by the partner on an as-available basis. Respective arrangements for program and qualified staff are required. Inquiries at bootstobusiness@sba.gov

JRMS BETA Test Update:

"The ViQue scanner system supports JRMS by enabling digital scans of authorized IDs. ViQue scanners are a separate tool that can be used in conjunction with JRMS to allow for expedited daily accountability intake. Guidelines on how ViQue scanners will be incorporated are based on unit policy. See newsletter for additional details."

Newsletter Message:

JRMS Message:

"Joint Readiness Management System (JRMS) is a TMD developed software application developed to manage accountability and pays account for personnel on State Active-Duty (SAD) missions. JRMS' goal is to be considered as a replacement to the current accountability and pay systems. JRMS is currently in its first round of BETA testing also known as "parallel testing", phase with its biggest pilot audience being with Operation Lone Star and BorderStar are the current test audiences. As the TMD continues to develop this product for review and final decisioning, all official accountability and pay management records for SAD will continue to be managed through the current approved source of record until further guidance from TMD Leadership."

ViQue Message:

"The ViQue scanner system supports JRMS by enabling digital scans of authorized IDs. ViQue scanners are a separate tool that can be used in conjunction with JRMS to allow for expedited daily accountability intake. Accountability for SMs who are unable to scan in due to lack of availability of a Vique System in their AOR, lack of internet connectivity or any status in which they are not physically present to scan in such as "telework", "on pass", "on quarters" or etc. can be manually entered into JRMS by the clerk. from JRMS. It is not a clock-in system and can be updated manually if needed. Guidelines on how ViQuess scanners will be incorporated with each unit or taskforce is based on unit policy and procedures."
