CHAPLAIN'S CORNER

A Heart for Humanity

"Let all that you do be done in love." – 1 Corinthians 16:14

In a world filled with differences, challenges, and uncertainties, one thing remains constant—the power of love. Love is not just a feeling but an action, a choice we make every day in how we treat others. It is seen in kindness to a stranger, patience with a friend, and compassion for those who are struggling.

True love for humanity goes beyond convenience. It sees the person behind the opinion, the heart behind the hardship, and the worth in every soul. It doesn't mean we must always agree, but it does mean we choose respect over resentment, understanding over judgment, and generosity over indifference.

There are moments when love feels easy, and others when it requires effort. But each small act of kindness—a word of encouragement, a listening ear, a helping hand—creates ripples far beyond what we can see. Love has the power to heal wounds, restore hope, and remind us of all that we are not alone.

Perhaps today, there is someone in your path who needs grace, patience, or simply a smile. What if we made it a daily practice to extend love, not just in grand gestures, but in the quiet, unseen moments?

Because in the end, love is the greatest legacy we leave behind.

Reflection: How can you show love in a small but meaningful way today?

Sweet Valentine's Day Celebration for the Soldiers of FOB Eagle

This Valentine's Day, the soldiers of FOB Eagle enjoyed an afternoon filled with fun, excitement, and sweet surprises. In an effort to bring a little joy and warmth to their hearts, lunchtime was filled with some exciting games of BINGO! While the soldiers concentrated on their bingo cards, they enjoyed a Valentine's Day celebration of candy and chocolates that filled the tables.

This Valentines Day was more than just the games and prizes, the day was a reminder of the camaraderie and spirit that make the FOB Eagle community so special.
