Texas JCDTF Mission

PROTECT TEXAS!
STOP DRUGS!

The Texas National Guard Joint Counterdrug Task Force **detects, interdicts, and disrupts drug smuggling** and associated illicit activities at the request of local, state, and federal law enforcement agencies by leveraging **unique military skills and assets** in order to support national and state counter-narcotic strategies and objectives.

Authorized Activities

- Linguist / Transcription Services
- Analysis Support
- Communications Support
- Transportation Support
- Ground Reconnaissance
- Aerial Reconnaissance
- Diver Support
- Training
- Drug Demand Reduction Outreach

Array of Support Locations

Analysis Support

JCDTF Analysts disrupt and dismantle drug trafficking organizations using post collection analysis utilizing Four Core Competencies:

- Link Analysis
- Documentation Exploitation
- Commodity-Financial Analysis
- Case Construction

Drug Demand Reduction Outreach Program

Through support of the High Intensity Drug Trafficking Areas (HIDTA) and other federal, state, and local law enforcement agencies and partners, the Texas National Guard Joint Counterdrug Task Force Drug Demand Reduction Outreach program provides militarily unique skills bringing innovations to address the ever-growing threat of substance abuse and misuse facing Texas communities, including the growing fentanyl crisis. This is accomplished through science-based prevention and education training, leveraging community partners, and networking resources from the national down to the local level in order to effect a positive change in communities.

Ground Reconnaissance and Training

Conducts low-visibility counterdrug ground reconnaissance to detect and report illegal drug activities in support of law enforcement drug interdiction operations. Ground Reconnaissance provides the following mission support:

- Case Support
- Area and Route Reconnaissance
- Air to Ground (A2G) Down-link
- Reconnaissance Coordination
- Basic Military Training to Law Enforcement

Army Aviation Support

Provides aerial rotary wing support at no cost to law enforcement:

- Aerial Thermal Imaging Camera with data downlink capabilities & aerial Command and Control Platform with secure communications
- Transportation and Tactical Logistics
- Basic Military Training to Law Enforcement
- Aerial Area and Route Reconnaissance
