Step 1: Contact the VA

- ✓ Call 1-800-GIBILL-1 and ask the VA rep how many months you have remaining in each GI Bill program

Step 2: Complete Application for Transfer

- ✓ Complete online application at <https://www.dmdc.osd.mil/milconnect/>.

 - OPTIONAL: Enter a Transfer End Date. If left blank, the dependent will receive the longest period of eligibility allowed by law.
 - Click the OK button.
 - Repeat for each dependent you wish to transfer months to.

- ✓ Have your unit update your SIDPERS record.
- ✓ The GI Bill Support Team will NOT approve any transfer requests until they can verify that the DA 4836 is in IPERMS and SIDPERS is updated.

Step 4: Access AKO Email and follow TEB email instructions

- ✓ The GI Bill Support Team will review your application and send you an email in your AKO email with instructions if you have not met all requirements to get your transfer approved.
- ✓ Once you have met all the requirements, you will receive a TEB APPROVED email from the GI Bill Support Team.

Step 5: Dependent Application to VA

 - The school’s VA Rep MUST certify your attendance using a VA form 1999 and the VA Once system. This tells the VA how many hours you are taking and the cost of tuition & fees and reports your rate of pursuit (1/2 time, ¾ time, full time, based on academic discipline of degree program)
 - If a payment is due before you receive your Letter of Eligibility from the VA, your VA Rep may be able to place your school account on hold to wait for payment from VA.

 - If you have changed either of these, use the form 22-1995 in VONAPP

- ✓ As soon as registration for the next term opens, register for classes early and have the school submit the 1999 in VA Once early to keep those payments coming.

- ✓ Have received an honorable discharge or separation or a general discharge under honorable conditions;
- ✓ Served at least 181 days of active duty service (excluding training), as indicated by “net active service” (the sum of 12(c) and 12(d) on the DD214);

The Hazlewood Act Tuition Exemption is available only for use at a Texas tax supported public college or university.

Spouse/Child Eligibility

The Hazlewood Act is also extended to spouses and dependent children of **eligible** active duty, Texas National Guard, and Air National Guard Veterans.

To be eligible the Service Member must have died in the line of duty, be missing in action, or became totally disabled for purposes of employability as a result of a service-related injury or illness.

Note: A Veteran not meeting the above service related criteria may qualify to transfer benefits under the Hazlewood Legacy Program (See Legacy Act section).

Eligible AFTER Completing qualifying Title 10
Active Duty Service and receiving a DD 214 at time

Through the Legacy Act, an eligible child must:

- ✓ Be classified by the institution as a Texas resident
- ✓ Be the biological child, stepchild, adopted child, or claimed as a dependent in the current or previous tax year
- ✓ Be between the ages of 18-25 years old on the first day of the semester or term for which the exemption is claimed (unless granted an extension due to a qualifying illness or debilitating condition)
- ✓ Meet the GPA requirement of the institution's satisfactory academic progress policy in a degree or certificate program as determined by the institution's financial aid policy
- ✓ As an undergraduate student, not be considered to have attempted an excessive amount of credit hours.

Troops to Teachers (TTT)

What Is Troops to Teachers?

Troops to Teachers (TTT) is a transition program that assists eligible military personnel in meeting the requirements necessary to become teachers in K-12 public, public charter, and Bureau of Indian Affairs schools serving low-income families.

- The program assists those who wish to become school counselors, teacher aides, principals, vice principals, speech therapists, school psychologists, and other school workers engaged with students in K-12 schools.
- Implemented in 1994, this national program is overseen and funded by the Department of Defense and managed by the Department of the Navy through the Defense Activity for Non-Traditional Education Support (DANTES).
- TTT is headquartered in Pensacola, Florida and serves all states and territories through its state and regional offices.
- To date, TTT has helped over 17,000 participants transition to second careers in K-12 education.

What Is The Goal of TTT?

The TTT program seeks to improve American K-12 education by providing motivated, experienced, and dedicated personnel for the nation's classrooms, and increase the number of male and minority teachers in today's public schools. TTT's objectives are to:

- Help participants gain an understanding of teacher certification requirements, options for completing certification, and ways to enhance employment potential.
- Provide positive role models for the nation's public school students.
- Refer certified teachers in all subject areas and other educational workers to K-12 schools.

What Do I Get?

After registration, TTT provides participants with two types of services:

- **Counseling and referral assistance:** includes guidance about certification pathways and access to a wide network of volunteer mentors who provide valuable advice and guidance at the local level. Referral assistance includes providing participants with the necessary information on job availability, preparing them for employment, and in some cases, arranging interview opportunities. These services are available to all program participants.
- **Financial assistance:** The maximum amount of financial assistance provided to eligible TTT participants may not exceed \$10,000. Assistance comes in two forms, a \$5,000 stipend* that may be used for teacher certification and licensure costs, and a bonus up to \$10,000. TTT participants receiving financial assistance must agree to teach for three years in a high-need public, public charter, or Bureau of Indian Affairs school. Eligibility is determined by the TTT national office following the completion of the registration process, subject to the following eligibility categories:

➤ ACTIVE DUTY

- Retired from active duty.
- Active duty member with approved date of retirement with one year or less remaining before retirement.
- Separated for a service-connected physical disability on or after January 8, 2002. **Must register within three years after separation.**

➤ RESERVE COMPONENT

- Retired from the Selected Reserve.
- Currently serving in the Selected Reserve with six or more years of creditable service towards retirement and commit to serving an additional three years, or until eligible for retirement.
- Separated from the Selected Reserve for a service-connected physical disability on or after January 8, 2002. **Must register within three years after separation.**
- Individuals transitioning from active duty on or after January 8, 2002, and have served four years on active duty immediately before separation, and execute a contract for three or more years with a Selected Reserve unit. **Must register within three years after separation.**

Note: The \$5,000 stipend may not be available to those who are eligible for the Post-9/11 GI Bill.
