Many Soldiers join the military in hopes of providing education benefits for themselves, and their families. The Post 9/11 GI bill is the only transferable GI Bill. But don't wait! You **MUST** transfer while serving and commit to 4 additional years of service. This is a one-time obligation so, why wait? Once eligible, visit <https://milconnect.dmdc.osd.mil/> to submit your request.

Your third clue is the third word on the tab used for transferring your Post 9/11 GI bill.

You can find a credential that improves both your military and civilian career by visiting <https://www.cool.osd.mil/army/> and clicking “Credential Search” at the top right-hand corner. When you view the page....

The 4th word under the Army COOL-Search for Credentials paragraph is only 2 letters, but will be used twice in the scramble for clues!
