MEMORANDUM FOR RECORD

SUBJECT: Character Statement (SFC Case, Justin)

- 1. This is a generic example. Every case is unique and this document should serve as a basic guide instead of an edited template.** The purpose of this memorandum is to express support for SFC Case (2-172<sup>nd</sup> Field Artillery) and detail my encounters with him on a military and personal level.
2. I joined the National Guard in August 2006 and my first unit of assignment was with the 2-126<sup>th</sup> Field Artillery. This is where I first met SFC Case; he was the Readiness NCO.
3. I am proud to have had the opportunity to work and deploy with SFC Case over the years. After our deployment in 2009, I was looking for an opportunity to work full time for the Texas Army National Guard. SFC Case provided guidance and training on how to become an Active Guard Reserve (AGR) member. His training and guidance not only enabled me to obtain employment in the AGR Program but helped mold me into the competent Senior NCO that I am today. To this day, I have the utmost respect and trust in SFC Case.
4. SFC Case provided me with superior mentorship and guidance as I have come up through the ranks of the Non-Commission Officer Corp. He is a professional, dedicated, loyal and honest Soldier. I have never had a reason to question his morals, ethics, integrity or loyalty. SFC Case is direct in ensuring compliance with all standing regulations and holds himself to those same standards.
5. I have spent time with SFC Case outside work as well and with his family. I have always known him to be an upstanding individual. Personally, SFC Case is known to be a loyal person as well as a loving husband and father. Seeing SFC Case and his family at holiday events and other military functions always brightens my day. He has done an outstanding job raising his two children and fostering a loving marriage to his wife. This is why I have always respected SFC Case's character and knowledge which are uncommon traits in most of today's society.
6. When evaluating SFC Case, I would ask that you consider his nearly 20 years of honorable service to our State and Nation along with his outstanding role as a father, husband and friend. I have spoken with SFC Case regarding this matter and the

possible implications it could have on both his military career and personal life. I cannot imagine a better Soldier to serve with.
