The 36th Infantry Division soldiers of the Texas Army National Guard will be practicing airfield seizure operations, which is a standard training requirement. While this event is closed to the public, citizens in the immediate Grayson County area should not be alarmed of the increased military activities. The training event will include several aspects: low flying U.S. Air Force aircraft, soldiers parachuting onto the airport, and tactical military vehicles in the area. Additionally, all aircraft and training operations will be done in accordance with FAA standards.

The airport will be closed to most activities from approximately 9:30 a.m. to noon, however, the time frame may be adjusted based on weather conditions. Pilots should check applicable Notices to Airmen (NOTAM) prior to planning flights to/from or in the vicinity of the airport.

Media outlets that cover the Grayson County area are requested to put this information out as a public service to the community.
