**FOR IMMEDIATE RELEASE:**

## Texas State Guard to Conduct Annual Training at Galveston

**AUSTIN, Texas (April 24, 2018)** – Members of the Texas State Guard, in support of local and state agencies, will conduct disaster preparedness exercises in Galveston at three locations from April 26-29, 2018. The Galveston area locations are Sea Star Base, Jack Brooks Park, Pelican Island, and La Marque, Texas.

The designated training is designed to strengthen emergency response capabilities by training for an emergency with operations in multiple displaced locations. The training will include ground search and rescue, rescue boat and dive training, shelter management operations, web-based emergency operations, evacuation tracking procedures, and emergency communications.

“The Texas State Guard annual training prepares our guardsmen to support local civil emergency management operations during an emergency or disaster, such as a hurricane, flooding, wildfires, or a man-made disaster. This training makes our guardsmen mission ready to serve our fellow Texans,” stated Capt. Joe Cave, Commander, Texas Maritime Regiment, Texas State Guard.

In recent years the Texas State Guard has been called to state active duty for hurricanes, tornadoes, flooding and wildfires. During Hurricane Harvey, the Texas State Guard conducted boat rescues, evacuation and shelter management operations, as well as emergency tracking network operations.

The Texas State Guard is the lead military component for Operation Lone Star in the Rio Grande Valley—the state’s annual humanitarian medical mission—and provides support to the state’s annual Oral Rabies Vaccination Program and the East Texas Medical Outreach missions in East Texas.

Other locations being used for this year’s annual training include Camp Maxey, near Powderly, Texas; Camp Swift, near Austin Texas; and Fort Wolters, near Mineral Wells, Texas. The Texas State Guard is the state’s volunteer military agency, trained, organized and ready to respond when a disaster strikes and Texans need help.
