AMENDMENT
ENLISTED VACANCY ANNOUNCEMENT
FOR ASSIGNMENT AT THE 136TH AIRLIFT WING
TEXAS AIR NATIONAL GUARD

POSITION: Aerospace Medical Services
Position Number: 0980514
AFSC: 4N091
GRADE: Immediately Promotable MSgt/E-7 NTE SMSgt/E8
LOCATION: 136th Medical Group, NAS/JRB, Fort Worth, TX 76127
REMARKS: No trainees will be accepted. 4N071 AFSC may apply. SNCOA must be completed by the close out date of this announcement.

ANNOUNCEMENT: 136-17-003
ISSUE DATE: 11 Oct 2016
CLOSING DATE: Until Filled

HOW TO APPLY: Applications must arrive at the 136 AW/Military/AGR Application Inbox at the following e-mail address: (usaf.tx.136-aw.mbx.military-agr-application@mail.mil) no later than 2359 Central Time on the closeout date of the job announcement. Applications must be complete upon initial submission in one single PDF package, not to exceed 6 MB and with the proper naming convention of Last Name-Announcement number (i.e. Last Name-136-13-56). Applications submitted in pieces will not be accepted and automatically disqualified. All packages must be redacted for Personal Identifiable Information (PII) unless sending from a .mil account signed and encrypted.

Incomplete packages, packages not meeting mandatory criteria, or packages received after the close out date as indicated on the job announcement will NOT be considered.

Qualification/Disqualification letters will be emailed to each applicant NLT 10 days after the announcement close out date. If you need to update a previously submitted package and it is before the closed out date, you must send a new complete package with the updated information. Sending only the updates will disqualify your package as incomplete packages are not accepted. Email constraints limit the size of an application to 6 MB and will need to be named in the subject line as Update Last Name-Announcement number in the following format (i.e. “Update Last Name-136-13-34”)

ITEMS REQUIRED:
1. E8/E9 MFR Signed by Commander
2. ANG Service Commitment Agreement
3. Records Review Rip dated within 60 days of closing date of announcement,
4. Military Biography,
5. Personal letter of intent outlining career goals and objectives,
6. ANG Fitness Test, current and passing
7. Adverse action statement
8. Targeted Resume IAW AFH 33-337, The Tongue and Quill, that outlines Leadership Experience, Base/Community Involvement, and Significant Self Improvement
9. Letters of recommendation (Optional) - maximum 3 with 1 from current supervisor
   a. #2&6 can be obtained by e-mailing usaf.tx.136-aw.mbx.military-agr-application@mail.mil

PERSONAL INTERVIEWS: Applicants must be available for an interview. Applications will be reviewed and qualified applicants will be notified to meet the selection board. Applicants will be notified by phone or mail of interview time and place. Payment for travel IS NOT AUTHORIZED.

NOTE: All applicants will receive consideration for this position without regard to race, religion, color, national origin, sex, political affiliation, kinship, and other non-merit factors.
AMENDMENT

POSITION QUALIFICATIONS

1. Specialty Summary. Plans, provides, and evaluates routine patient care and treatment of beneficiaries to include flying and special operational duty personnel. Organizes the medical environment, performs and directs support activities for patient care situations, including contingency operations and disasters. Performs duty as Independent Duty Medical Technician (IDMT), Aeromedical Evacuation Technician (AET), Hyperbaric Medical Technician (HBMT); Allergy and/or Immunization Technician (AIT), Special Operations Command (SOC) Medic, Dialysis Medical Technician (DMT), Critical Care Technician (CCT), Neurodiagnostic Technologist (NT), or Flight and Operational Medical Technician (FOMT). Related DoD Occupational Subgroup: 130000.

2. Duties and Responsibilities.

2.2. Supervises personnel, conducts training, and creates duty schedules. Schedules and/or conducts in-service training on procedures, techniques, and equipment. Schedules and/or conducts periodic disaster training, fire drills, and evacuation procedures. Provides training to medical and non-medical personnel; training may include areas such as emergency medical technician and required basic life support training.

2.3. Performs duty as an IDMT at home station and deployed locations, remote sites and alternate care locations. Renders medical, dental, and emergency treatment; recommends and coordinates evacuations for definitive medical treatment. Performs pharmacy, laboratory, bioenvironmental, immunizations, public health, medical logistics and medical administration duties. Establishes preceptorship and provides forward area health care IAW applicable guidelines in an austere or bare-base environment.

2.3.1. Special Operations Command (SOC) Medics perform special operations medical support providing initial combat trauma stabilization, on-going field trauma care, and Casualty Evacuation (CASEVAC) to definitive care.

2.3.2. SOC medics are ideally suited to Special Operations Forces (SOF) and Combat Search and Rescue (CSAR) mission support for establishing bare-base encampments.

2.4. Performs aeromedical evacuation (AE) ground and/or flight duties. Performs pre-flight/inflight patient care and documentation. Provides emergency care for patients in event of medical and/or aircraft emergencies. Functions as an aeromedical evacuation crewmember (AECM). Prepares patients, equipment and aircraft for flight. Enplanes and deplanes patients. Loads and unloads baggage. Operates specialized aircraft flight equipment, medical devices and aircraft systems related to patient care.

2.5. Performs allergy and immunization (AI) duties.

2.5.1 Allergy: Manages immunotherapy care and performs diagnostic tests as ordered by physician. Prepares allergic extracts and/or specific allergy treatment extracts. Performs allergy skin and anergy testing.

2.6. Performs neurodiagnostic duties. Assists physician with and prepares patients for examination, treatment, and diagnostic procedures. Assembles, operates, maintains and performs routine user maintenance of electroencephalographic and electromyographic equipment. Assists in performing special electroencephalographic and electromyographic procedures. Ensures appropriate care and storage of tracings and reports.
AMENDMENT

2.7. Performs critical care duties. Prepares patient with special equipment for transfers. Performs and assists with examinations and special procedures including mechanical ventilation, cardiovascular and neurovascular procedures and dialysis.

2.10. Performs flight and operational medicine duties. Assists flight surgeon with aircraft mishap and physiological incident response, investigation, and reporting. Supports flight surgeon to develop flying safety and deployment briefings. Assists healthcare provider teams with interpretation and application of medical standards to determine medical qualifications for occupational duty, worldwide duty, special operation duty, mobility status, flying status, special duty, security clearance, professional military education (PME), retraining, commissioning, and transition to Air Force Reserves or Air National Guard. Provides administrative management of duty limiting conditions reports. Assists with oversight of waiver management utilizing the Aircrew Information Management Waiver Tracking System (AIMWTS). Maintains grounding management on all aircrew assigned utilizing the Aeromedical Services Information Management Systems (ASIMS). Performs the paraprofessional portion of initial flying class/special operational duty (SOD) physicals. Conducts clinical entries for data into the Physical Examination Processing Program (PEPP) and manages physical until completion. Provides first point of contact for non-empanelled patients requiring physical examinations (i.e. Department of Defense Medical Examination Review Board (DoDMERB), Reserve Officer Training Corps (ROTC), and others that are an extension of the occupational exam). Performs preventive health assessment (PHA) physicals for flying status and non-flying status personnel and updates results of required tests and examinations into ASIMS.

3. Specialty Qualifications:
