Summary. The Recruitment SOP prescribes guidance and assigns responsibilities to accomplish recruiting for the Texas State Guard and Subordinate Components of Army, Air, Maritime, and Medical. Version 1.1 reflects the shortening of the steps involved in the recruiting process to get applicants into their units faster.

Applicability. This SOP applies to all elements of the command when performing Recruiting duties.

Management Control Process. This SOP contains Management Controls for Accession of Applicants into the Texas State Guard through use of documentation and Readiness Management System, RMS365.

Proponent and Exception Authority. The proponent for this SOP is the Recruiting OIC, TXSG. The OIC has the authority to approve exceptions to this SOP that are consistent with controlling law and regulation.

Supplementation. Supplementation of this SOP or establishment of command and local forms on recruiting is prohibited without prior approval from the Commanding General (CG, TXSG), through the Recruiting OIC, ATTN: NGTX-NHZ, P.O. Box 5218, Austin, TX 78763-5218.

Suggested Improvements. Users are invited to send comments and suggested improvements concerning this SOP directly to the Recruiting OIC, ATTN: NGTX-NHZ, P.O. Box 5218, Austin, TX 78763-5218.

Chapter 1 – GENERAL

1. Overview: All levels of Command should understand Recruiting and how it fits into the unit's overall operations. Recruiting is defined as actions that Commanders plan for and implement to ensure only qualified individuals are enlisted or appointed into the Texas State Guard. Commanders need to establish an effective recruiting program, supported by qualified Recruiters, with written policies and procedures to enhance, expedite, and establish continuity in the enlistment and retention of prospective Applicants. Commanders will support the Recruiters in accomplishing the recruiting objectives. Recruiters will support the TXSG Chain of Command in accomplishing the recruiting objectives.

Chapter 2 – SUBORDINATE COMMAND RECRUITER

1. Responsibilities – Unit Level Recruitment effort reporting to Unit Level Commander and MSC Recruiter.

   a. Manage all Applicants through RMS365, Recruiting Management to include updating status and Applicant Record information. Applicants received from alternate sources (e.g. personal references, Social Media contact or direct contact from Recruiting Events, etc…) are to be added to RMS365, Recruiting Management by the Recruiter after collecting the necessary information.

   b. Responsible for telephonic, email and in-person appointment(s) with Applicant.

   c. Responsible for review and response to Applicant messages at the local Unit Level Social Media activity and POPs (Points of Presence; Instagram, LinkedIn, etc.) to direct inquiries to the TXSG "Join-The-State-Guard" website.

   d. Inform Applicant of necessary documents required for the application process and to have required documentation for scheduled meeting/interview (i.e. Texas Driver’s License, SSN Card, H.S. Diploma, College Diploma, College Transcripts, required licenses as applicable, DD Form 214 or Form NGB 22).

   e. Maintain a current copy of TXSG 600-10 and all supporting, applicable Serially Numbered Issuances for reference of enlistment requirements as found on the TMD Resource site (https://tmd.texas.gov/texas-military-department-policies-and-regulations).

   f. Provides Unit Level Recruiting Report(s) to Unit Level Commander (CO), Senior Enlisted Advisor (SEA) and MSC Recruiter on monthly cycle (or as requested if more frequent) to be generated from the Recruiting Management System (RMS).

   g. Responsible for the completion of all Accession Packet forms and collection of documents.

   h. The next higher-level Recruiter (Army = Regiment / Air = Wing / TMAR and TMB = Battalion) will be notified of any action that removes the Unit Level Recruiter from performing their duties and must also provide a person to perform these duties so that the replacement will be able to be added to access the RMS system. Changes will be communicated to the Recruiting DRU XO and NCOIC by the Component Recruiter for processing within RMS.
i. Strive for Initial Contact to Enlistment or Appointment Packet submission goal of 30-days or less.

2. Accession Packet Check-List: Complete form and check appropriate boxes.

   a. TXSG Form 466 - Certification & Oath Application for Enlistment. The Oath will not be administered nor signed until an e-Verify approval has been received by HHC Recruiting DRU and the Applicant is ready to be Sworn-In.

      (1) Upon notifying the Receiving Unit, the Oath for Enlistment will then be administered when the Member arrives at their first UTA for INDOC.

      (2) Electronic signature blocks have been removed from the Accession Packet. As the Oath is administered in-person, all signatures should be wet/live ink during the interaction by authorized parties and under the oversight of the Receiving Unit G/S/A/N-1.

      (3) TXSG Form 466 will be signed, dated and maintained at the Unit Level for inclusion in Applicant’s 201 File and submitted with a completed Accession Packet when sent to the J1_201File mailbox.

   b. Form 35 - Texas State Guard Actions Request.

      (1) Unit Level Commander (CO) or Senior Enlisted Advisor (SEA) will sign the Form 35 under the oversight of the Receiving Unit G/S/A/N-1 and submitted with a completed Accession Packet when sent to the J1_201File mailbox.

      (2) PER COMPONENT DIRECTIVE – Should additional signatures be required at the MSC and/or Component level, those signatures should be obtained electronically or wet/live ink per such directive and within the policy guidance of the TXSG 600-10 (Chapter 1, Section 1-10 allows authorization of Enlistment up to E-8 and Appointment to O-3 without a Personnel Action Board (PAB) if the Applicant meets all criteria of Chapter 2-1 of the TXSG 600-10 dtd 27-Jun-2013).

   c. IdentoGo Background Check - All fingerprinting for purpose of completing a background check through IdentoGo Services (formerly Morpho Trust).

      (1) Applicant is provided information to schedule their appointment upon completion of the online TXSG "Join-The-State-Guard" website and within the Accession Packet.

      (2) Applicant is to schedule their fingerprint appointment as quickly as possible in
advance of meeting with a Recruiter.

(3) Applicant is responsible for all associated fees for fingerprinting.

(4) Fingerprints must be scheduled and processed with the specific TXSG Organization ID number of 11G7VN - fingerprints taken for any other agency, organization or purposes may not be used.

(5) The Applicant must provide their TCN Number via a scanned copy of the IdentoGo Receipt. This will be sent to the Enlistment or Appointment mailbox for processing with the other required documents. The receipt will also be included with all Accession Packet documentation provided to the Receiving Unit G/S/A/N-1 when turned-over.

d. Form I-9 - Employment Verification. Provide necessary information as required. A wet/live ink signature of the Applicant and Authorized TXSG Representative (i.e. Recruiter or S/A/N-1; a TXSG Authorized Individual that has completed the Form I-9 Handling training) on the same date, in a face-to-face meeting, is required. (**Required training - see Annex D**)

e. Emergency Contact.

(1) Applicant provides name, number and needed Emergency Contact information. Signature is required.

(2) Emergency Contact Information will be entered by the Receiving Unit G/S/A/N-1 once the Applicant completes their Oath of Enlistment or Appointment and has been moved to In-Strength.

f. Election to Release/Protect Personal Information - Applicant will check each block indicating specific authorization for select information for public release or not. Provide additional information as required. Electronic signature is required.

g. TXSG Form 2807-1 - Report of Medical History. The Applicant must complete a provided TXSG Form 2807-1. After the Applicant has completed the form, the Unit Level Recruiter will forward the 2807 to their Designated Medical Officer via email. The Surgeon will respond via email stating:

(1) Medically Approved for Service (Low Risk = Fully Deployable, Medium Risk = Deployable Rear Only)

(2) Medically Disqualifying
Pending Further Review

(4) Request additional information (May request/require a TXSG Form 2807-1a, Physician’s Release Letter)

(5) Once approved and received, the email approval from the Reviewing Medical Officer will be sent to the Recruiting DRU Enlistment or Appointment mailbox with the other required documents and included in the Applicant’s Accession Packet when turned-over to the Receiving Unit G/S/A/N-1.

(6) The TXSG Form 2807-1 will not be submitted with the enlistment application. The TXSG Form 2807-1 will be maintained by the Reviewing Medical Officer or authorized Chief Medical Officer (CMO). All hard and electronic copies are to be destroyed once submitted electronically to the Reviewing Medical Officer and response has been received.

Height, Weight and Body Fat Percentage Worksheet - The Unit Level Recruiter completes height and weight measurements. The Applicant must meet the standards in accordance with TXSG Regulation 600-10, 27 June 2013 (pages 1 and 3 of TXSG Form 1710.30, see Annex B).

(1) Unit Level Commander signs certification and the Unit Level Recruiter submits with packet. Weight should be taken with Applicant in T-shirt, shorts and socks.

(2) If the Applicant does not meet standards, then Body Fat Percentage Worksheet (page 2 of TXSG Form 1710.30, see Annex B) is required.

(3) Submission is the document showing the Applicant meets either Height and Weight Standards or Body Fat Content Percentage by providing the printed and signed copies of pages 1 and 2 of the TXSG Form 1710.30.

Recruiter Training Requirements

1. The following Modules are required per State HR and Audit/Compliance for all **Recruiters** who interface with Applicants, handle/sign the **Form I-9**, Applicant's **PII** (Personally Identifiable Information) and Applicant's Medical History (TXSG Form 2807-1).

2. **Training(s) MUST be completed prior to a Recruiter being added to RMS365, Recruiting Management.**

3. **SYSADMIN, ADMIN and NONE/Nominal Role** = must complete all 3 modules (Form I-9 and PII one time - HIPAA annually) below and provide dates/certificates for approval/vetting.

   **VIEWER** = must complete the PII module (one time) and provide date/certificate for approval/vetting.

4. **Form I-9** = [https://www.uscis.gov/e-verify/e-verify-webinars/take-free-webinar](https://www.uscis.gov/e-verify/e-verify-webinars/take-free-webinar) ([link - Form I-9 Webinar On-Demand])

   To meet Federal Compliance, all TXSG Recruiters must take this training to ensure compliance of signing and handling the Form I-9. Key pieces are:

   a. The Applicant and Recruiter must meet face-to-face and both sign the Form I-9 in ink for a live/wet signature.

   b. A scanned/electronic copy must be sent with the Accession Packet prior to Swearing-In

   c. J-1 will send the scanned/electronic copy of the Form I-9 to State HR to perform E-Verify

   d. Once E-Verify has been approved, J-1 will move the Applicant into Strength and Component Recruiter notified via weekly reporting they have been Moved Into Strength, ready to Swear-In

5. **Personally Identifiable Information Certification**

   = [https://securityawareness.usalearning.gov/piiv2/index.htm](https://securityawareness.usalearning.gov/piiv2/index.htm) ([link])

   ALL Personnel handling the Applicant's Accession Packet is now required by State to complete and show Certificate for the Course Completion.

   a. Click **green button for "launch course" at lower-left**

   b. Click top link for "Launch New Identifying and Safeguarding Personally Identifiable Information (PII) Version 2.0", the course should open in a new pop-up window to begin course
c. Once Course is completed, SAVE the Completion Certificate. It is recommended this be added to the Service Member's 201 File

   All Recruiters at every level that could potentially have contact with, view of or handling of (even through email forwarding) must annually complete and report the completion of this training module.

   a. Course Name is **“OLS HIPAA”**, course # is **1028268**

   b. Must register as new user for the first time and complete the training, sending either certificate or screen capture of completion date to the Component Recruiter

   c. The Component Recruiter will send a consolidated list of completions to Recruiting with date of record for each Recruiter at all levels

7. **These courses MUST be completed by all Recruiters, current and new, in order to be authorized in handling the Accession Packet and Recruiting Process.**

8. **The HIPAA module MUST be completed annually to meet compliance**
