INTRODUCTION

Section I
General

1-1. **Purpose.** This regulation provides policy, criteria, responsibilities, guidance, and procedures for administering the state military awards program for the Texas Military Forces except annual or other periodic awards. It must be used in conjunction with the references listed below.

1-2. **References.**

   a. AR 670-1, Wear and Appearance of Army Uniforms and Insignia.
   b. AR 600-8-22, Military Awards.
   c. NGR 672-1, Trophies and Awards Program for the Army National Guard.
   d. NGR 601-1, Recruiting and Retention Resource Management.
   e. Article 5789, Title 94, Texas State Statutes.
   f. AFI 36-2803, the Air Force Awards and Decorations Program.
   g. TANGI 36-2803 the Texas Air National Guard Awards Decorations Program.
   h. ANGI 33-101, Air National Guard Administrative Orders.
   i. AFI 36-2903, Dress & Personal Appearance of Air Force Personnel.
   j. AFI 36-2805, Special Trophies and Awards Program.

1-3. **Objective.** The objective of the State Military Forces Awards Program is to provide tangible recognition for acts of heroism not involving actual combat, exceptional service or achievement, and special skills or qualifications.

1-4. **Responsibilities.**

   a. The Assistant Adjutant General, Army or Air will oversee, monitor, and provide guidance to the program as it pertains to the Texas Military Forces.

   b. The Director of Personnel (JFTX-J1) will administer the program for the Texas Military Forces.
c. The Commander of the Texas State Guard (JFTX-TXSG-CG) will administer the program for the TXSG.

d. The Director of Personnel (JFTX-J1) will purchase State Awards.

e. Commanders at every level will take personal interest and initiative to ensure an active, responsive Texas Military Forces Awards Program.

1-5. Categories of Individual Awards. Individual awards are grouped into the following categories: Decorations, service medals, service ribbons, badges, tabs and special insignia, certificates and letters, and special awards.

1-6. Order of Precedence for Medals and Service Ribbons.

a. The order of precedence for wear within the various classes of medals and service ribbons, excluding State of Texas military decorations and service medals and ribbons, is stated in AR 670-1 and AFI 36-2903.

b. The order of precedence within the various classes of State of Texas medals and service ribbons is outlined in Chapters 2, 3, and 4 of this regulation. All state awards follow federal medals in order of precedence.

Section II
Policy

1-7. Who May Recommend. It is the responsibility and privilege of any individual having personal knowledge of an act, achievement, or service believed to warrant the award of a decoration to submit a formal recommendation through military command channels for consideration.

1-8. Time Limitations. Each recommendation for a State of Texas military decoration must be entered administratively into channels within two years of the act, achievement, or service to be honored.

1-9. Character of Service for Personal Decorations. A medal will not be awarded or presented to any individual whose entire service subsequent to the time of the distinguished act, achievement, or service has not been honorable. The determination of "honorable" service will be based on such honest and faithful service as is in accordance with the standards of conduct, courage, and duty required, by law and customs of the service, of a member of the grade to whom the standard is applied. Commanders will ensure this.

a. Individuals on whom favorable personnel actions have been suspended (flagged) will not be recommended for or receive awards, except for Weight Control or Physical Fitness Test (APFT) failure, provided the commander concurs.
b. Other-than-honorable service subsequent to submission of the recommendation for an award is promptly reported to the awards approving authority with a recommendation for appropriate action.

1-10. **Character of Service – Badges.** A badge will not be awarded to any person who, subsequent to qualification therefore, has been dismissed, dishonorably discharged, or convicted of desertion by court martial.

1-11. **Period of Award.** For meritorious service awards, the cited period is limited to the period of service, during which the individual served under the recommending command, except as provided for in paragraph 1-17.

1-12. **Succeeding Awards.** Not more than one of the same decoration will be awarded to one person. For each succeeding act or period of service that justifies the award of such decoration, the device designated to denote successive awards as appropriate to the medal (e.g., oak leaf cluster, numeral, white enameled star) will be awarded, except posthumous awards to next of kin.

Exception is the Lone Star Distinguished Service Medal for which there is only a one-time award.

1-13. **Duplication of Awards.**

a. Only one state decoration will be awarded to an individual for the same act, achievement, or period of meritorious service.

b. The award of a decoration in recognition of a single act of heroism or meritorious achievement does not preclude an award for meritorious service at the termination of an assignment. Recommendations for award of a decoration for meritorious service will not refer to acts of heroism or meritorious achievement that have been previously recognized by decorations.

c. Continuation of the same or similar type service already recognized by an award for meritorious service will not be the basis for a second award. If appropriate, an award may be made to include the extended period of service by superseding the earlier award, or the award previously made may be amended to incorporate the extended period of service.

1-14. **Military Awards in Connection with Full-time Employment.**

a. Decorations should be awarded for acts performed in conjunction with the duties and responsibilities of a military assignment. However, decoration awards may also be made to members of the Texas Military Forces for acts of heroism or meritorious achievement performed in conjunction with the duties and responsibilities of their employment as a National Guard technician, AGR full-time support personnel, or a state employee of the Adjutant General’s Department. Unless otherwise authorized by the Adjutant General, recipients must be members of the Texas Military Forces.
b. Commanders, supervisors, and awards boards will exercise caution to assure that award recommendations for acts or achievements performed during such status do not overshadow award recommendations for acts or achievements performed in a military capacity.

1-15. **Authority to Wear Awards Presented by Other States.** Wear of other state awards on the uniform of the Texas Military Forces is not authorized unless such awards were earned while actually assigned to the National Guard of another state. See paragraph 3-2d for order of precedence when these awards are authorized.

1-16. **Recognition Upon Retirement.**

   a. Period of Service. Each individual approaching retirement may be considered for an appropriate decoration based on grade, years of service, degree of responsibility, and manner of performance. Meritorious service awards may be awarded upon retirement, which may include periods of service longer than that service in the recommending command. It is recommended that such periods be limited to the last 10 years of service. This is not to imply that an extended period of service should be considered for every individual who retires. An extended period should only be considered in those cases where the length or nature of the individual’s terminal assignment would not qualify him/her for an appropriate award. It is neither necessary nor desirable to consider an extended period of service when the length and character of service of retirees in their terminal assignments would qualify them for an appropriate award.

   b. Recommendations should be forwarded to appropriate approval authority no less than 60 days prior to projected presentation date to permit processing at all levels.

   c. Retirement awards for an extended period of service may be exempted from duplication of awards for meritorious service or achievement involving the same period of time by commanders authorized to approve awards. A retirement award for an extended period should not duplicate a period for which a meritorious service award of higher precedence was made.

1-17. **Recognition Upon Death, Discharge, or Transfer to the Retired Reserve.**

   a. Appropriate recognition should be extended to members of the Texas Military Forces who have distinguished themselves in the defense of the United States and Texas over a period of many years and who, by their acts and achievements, have made major contributions to the Texas Military Forces.

   b. Members who die while in an active status may be accorded recognition through their next of kin.

   c. The criteria in this regulation and the applicable referenced publications will be used to determine the type of recognition to be awarded.

1-18. **Presentation of Awards.**
a. All awards made to individuals and units of the Texas Military Forces will be presented in a fitting ceremony with an appropriate air of formality and, whenever possible, in the presence of unit personnel.

b. The Governor of Texas or his representative will present the Texas Legislative Medal of Honor and the Lone Star Medal of Valor.

c. A general officer will present the Texas Superior Service Medal, the Lone Star Distinguished Service Medal and the Governor's Unit Citation.

d. The next higher level of command will present all other decorations to which the individual to be decorated is assigned, with the exception of the Adjutant General’s Individual Award, which may be presented by the unit commander.

e. The unit commander will present certificates and letters, badges, tabs, and special insignia, unless otherwise prescribed herein.

f. In the act of presentation, a decoration or the ribbon may be pinned on the clothing of the awardees, whether in uniform or civilian clothing, or on the next-of-kin in the case of a presentation following the recipient's death; however, this will not be construed as authority for any person other than the individual honored by the award to wear it. As an alternative to pinning the medal or ribbon, especially to next-of-kin, it may be handed to the recipient in an opened container.

1-19. Forwarding Award Elements.

a. When presentation of an award, except a posthumous award, cannot be made within the command jurisdiction of the awarding officer, the orders announcing the award and supporting papers will be forwarded to the commander having current jurisdiction. When forwarding documentation to the commander having jurisdiction, a copy of transfer orders will be enclosed.

b. If the current assignment of awardees is unknown, the award elements will be individually packaged and forwarded to the Awards Branch (JFTX-J1-AD).

c. When forwarding elements of an award, care must be taken to prevent damage in transit. Documents must be enclosed, without staples or paper clips, between two pieces of heavy cardboard or other firm protective packaging larger than the certificate, and the cardboard and/or packaging securely fastened together before insertion in the mailing envelope.

d. Awards pertaining to individuals who have been retired or discharged from the Texas Military Forces and the TXSG are forwarded directly to JFTX-J1-AD for former Texas National Guard members and to JFTX-TXSG-J1 for former TXSG members.

1-20. Posthumous Awards.
a. Preparation of Award Elements. Orders for awards to individuals who are deceased at the time the award is approved will indicate that the award is being made posthumously. The engraved medal and certificates will not include the word “posthumous”.

b. Presentation of Awards to Next-of-Kin. Presentation will be made to primary next-of-kin in accordance with procedures set forth in paragraph 1-18f. When presentation to next-of-kin cannot be made by the appropriate commander, a report listing the reasons the presentation could not be made, with the awards, certificate, and citation will be forwarded immediately to JFTX-J1-AD. Under no circumstances will commanders forward award elements directly to the next-of-kin.

c. Eligible Classes of Next-of-Kin. Next-of-kin are, in order of precedence, surviving spouse, eldest child, father or mother, eldest sibling, or eldest grandchild. When the Adjutant General's Department determines that an issue of medals will be made posthumously to the next-of-kin, based on information contained in JFTX records, that same order of precedence will be used.

d. Duplicate Issue of Medals to Next-of-Kin. Except as indicated in (e) below, duplicate medals or sets of medals will be issued only to the next-of-kin to which the original medals were issued, but were inadvertently lost or destroyed.

e. When an appurtenance (e.g., oak leaf cluster, numeral, white enameled star) is presented posthumously, it will be appended to the appropriate medal and the complete decoration or service medal, consisting of the medal and appurtenance(s), will be presented to the next-of-kin, rather than the appurtenance alone.

f. Posthumous Award of Badges. When an individual who was qualified for a badge dies before the award is made, the award may be made and the badge presented to the next-of-kin.

1-21. Revocation of Personal Decorations. Once an award has been presented, the awarding authority may revoke it if facts are subsequently determined that would have prevented original approval of the award, had they been known at the time. Failure to be reassigned or separated as originally scheduled does not constitute grounds for revocation of an award that has been presented. The decision to revoke an award may not be delegated by the awarding authority. In making the decision, the awarding authority will consider a statement of concurrence or non-concurrence (with comments) from the individual concerned. Upon revocation, the affected individual will be informed that he/she may appeal the revocation action through command channels to JFTX-J1-AD.

1-22. Revocation of Badges, Tabs, and Special Insignia.

a. Commanders authorized to award special skill badges are authorized to revoke such awards. The appropriate service headquarters will not reinstate an award, once revoked.

b. Revocation of awards of state badges, tabs, and special insignia will be announced in orders, except those revocations that are automatically affected, as prescribed in this regulation, need not be announced in orders.
c. Award of badges, tabs, and special insignia may be revoked under any of the following conditions:

   (1) An award of state badges, tabs, and special skill badges are automatically revoked upon dismissal or dishonorable discharge.

   (2) See AR 600-8-22 and AFI 36-2803 for the revocation of United States badges and tabs.

d. The Adjutant General of Texas is the revoking authority for State of Texas badges, tabs, and special insignia. Revocation will be announced on a memorandum executed by the Director of Personnel.

1-23. **Lost Recommendations.** If it is determined that a recommendation for a decoration was properly entered into channels and that no award was made because the recommendation was lost, or through inadvertence the recommendation was not acted upon, the proponent may resubmit the recommendation through command channels to JFTX-J1-AD, as appropriate, together with the following:

   a. Conclusive evidence of the formal submission of the recommendation into military channels.

   b. Conclusive evidence of the loss of the recommendation or the failure to act on the recommendation through inadvertence.

   c. A copy of the original recommendation, or its substantive equivalent. As a minimum, statements, certificates and/or affidavits corroborating the events or services involved should accompany the recommendation. It is emphasized that the proponent must provide information adequate for determination and necessary for evaluation of the deed or services for an award of a decoration. The person signing a reconstructed award recommendation must be identified clearly in terms of his official relationship to the intended recipient at the time of the act or during the period of service recognized.

1-24. **Format, Content and Distribution of Orders.** Format, content, and distribution of orders will conform to NGR(AR) 310-10 or ANGI 33-101 as applicable.

1-25. **Announcement of Revocation of Awards.** Revocation of awards will be announced in appropriate orders by the level of command authorized to approve awards.

1-26. **Amendment of Orders.** Requests for amendment which are forwarded to JFTX-J1-AD must be accompanied by:

   a. Copies of orders and citations announcing all previous awards of the same decorations.

   b. Statement of concurrence/non-concurrence (with comments) of the individual concerned when requesting revocation of orders announcing an award. Such statements are also
required when requesting amendments of orders announcing an award when such an amendment reduces the number of awards to the individual (e.g., amend third award to read second award).

1-27. **Recording awards.** Each award or revocation of an award, medal, or badge will be recorded in the qualification records of the individual concerned as prescribed in applicable regulations.

1-28. **Supply of State Awards.**

   a. The following medals, ribbons, appurtenances, and decoration ribbons, certificates and containers, authorized for award by the Adjutant General’s Department, are stocked and issued by JFTX-J1-AD:

   (1) State of Texas decorations.
   (2) State of Texas service medals.
   (3) Clasps.
   (4) Oak leaf clusters.
   (5) Acorn clusters.
   (6) Cactus leaf clusters.
   (7) Letter “V” devices.
   (8) Decoration Certificates (State of Texas).

   b. The above listed items will be issued as follows:

   (1) State of Texas decorations, to include medals, ribbons, appurtenances, and certificates, as authorized for the respective decorations, will be issued automatically for those announced in permanent orders published by JFTX-J1-AD. Permanent orders published by the TXSG and Texas Military Forces command level, will be issued upon receipt of an itemized written request to JFTX-J1-AD.

   (2) State of Texas service medals, service ribbons and appurtenances for those awards will be issued upon receipt of a written request through channels to JFTX-J1-AD that orders a specific quantity of each item, based on expected issue during a 90-day period.

1-29. **Badges and Appurtenances.**

   a. United States badges and appurtenances, except those pertinent only to the National Guard, will be requisitioned and issued through normal supply channels as indicated in AR 600-8-22 or AFI 36-2803 as applicable.

   b. The National Guard Chief's 50 Marksmanship Badge, medal and embroidered versions, are issued by NGB with the award, as indicated in NGR 672-3/ANGR 900-1.

   c. Army National Guard Recruiter Badges are issued by JFTX-ARM-RR, as indicated in NGR 601-2.
d. State of Texas Badges and Appurtenances:

1. The Texas Military Forces Joint Staff Identification Badge is issued by JFTX-J1-AD.

2. The Texas Army National Guard Staff Identification Badge is issued by JFTX-ARM-G1.

3. The Adjutant General's Honor Guard Tab is issued by JFTX-J1-AD.

4. The Governor's Twenty Tab is issued by the State Marksmanship Coordinator.

1-30. Determination of Eligibility.

a. Initial Determination. Local commanders will determine eligibility of members of their command for awards from records available to them. When insufficient documentation exists concerning awards to an individual, the commander may request needed information from the appropriate custodian of the individual’s Official Military Personnel File (OMPF). When the local commander cannot determine the individual’s eligibility for an award based upon documents contained in the OMPF or other available records, the commander may request assistance from JFTX-J1-AD, as appropriate. All letters received at JFTX level directly from individuals in active Texas Military Forces service requesting information as to their eligibility for awards will be forwarded to the appropriate commander for necessary action.

b. Discharged Personnel. All requests for medals on behalf of individuals having no current active status in the State Military Forces will be forwarded to JFTX-J1-AD.

a. Medals are issued without cost to awardees. Replacement medals are issued at cost to awardees.

b. Requests for replacement medals will be as follows:

1. Requests for medals awarded to an active member of the Texas Military Forces during service in his/her current unit will be directed to the unit commander.

2. Requests for State of Texas medals awarded during previous service in the Texas Military Forces will be directed to JFTX-J1-AD.

3. Requests for United States medals awarded during previous active service in US Army, Navy, Air Force, Marine Corps, Coast Guard, or their respective reserve components will be directed to the commander, Chief, or Commandant, as appropriate.

Chapter 2

INDIVIDUAL DECORATIONS

Section I
General

2-1. Purpose.

a. Military decorations are awarded in recognition of heroism, meritorious achievement, or meritorious service.

b. State military decorations recognize achievements that have significantly contributed to the readiness or effectiveness of a unit or organization or have made notable contributions to the morale or esprit de corps of units or organizations. Exceptional command or leadership of a crew, team, section, squad, or similar unit may be considered meritorious achievement or service. Recommendations for awards must be based on specific achievements.

c. The decision to award an individual a decoration and the decision as to which award is appropriate are both subjective decisions made by the commander having award approval authority. Awards for meritorious achievement or service will not be based solely upon the grade of the intended recipient. Rather, the award should reflect both the individual’s level of responsibility and his or her manner of performance. The degree to which an individual’s achievement or service enhanced the readiness or effectiveness of his or her organization will be the predominant factor.

d. No individual is automatically entitled to an award upon departure from an assignment. Awards presented in conjunction with a permanent change of station will be limited to exceptional cases. Certificates of Achievement and Letters of Commendation or Appreciation are appropriate means to recognize departing personnel.

e. No preconditions for an award may be established where individuals are informed in advance that attainment of specific goals will result in the automatic award of a given decoration. Military decorations will not be used as prizes in contests.

f. Limiting awards to a specific number per unit is not authorized.

2-2. Decorations Authorized and Order of Precedence.

a. United States Decorations, AR 600-8-22, ANGI 36-2803.

b. Order of precedence for State of Texas decorations, to include the order of precedence for wear:

(1) Texas Legislative Medal of Honor
(2) Lone Star Medal of Valor
(3) Texas Purple Heart Medal
(4) Texas Superior Service Medal
(5) Lone Star Distinguished Service Medal
(6) Texas Outstanding Service Medal
(7) Texas Medal of Merit
(8) Adjutant General’s Individual Award

c. Note that State of Texas decorations will immediately follow U.S. service medals and/or non-U.S. decorations.

2-3. Personnel Eligible. Decorations are awarded to military personnel of the Texas Military Forces for service performed in an active military status. Exceptions are:

a. Posthumously.

b. Under appropriate circumstances, approved by the Adjutant General, the following State of Texas decorations may be awarded to a member of an active military component of the United States or a National Guardsman of another state:

   (1) Lone Star Medal of Valor
   (2) Lone Star Distinguished Service Medal
   (3) Texas Outstanding Service Medal
   (4) Texas Medal of Merit
   (5) Adjutant General’s Individual Award

2-4. Awarding Authority. Under certain circumstances and subject to restrictions, awards approval authorities listed in Table 1 may relinquish awards authority over their assigned personnel and units to another commander with identical or higher awards approval authority. Examples of personnel and units are Soldiers TDY or attached for thirty or more continuous days to another command or a unit that is geographically dislocated from its parent unit and is effectively under the operational control of another commander. The following restrictions and procedures will apply when a commander agrees to relinquish awards approval authority over his or her assigned personnel or units.

a. The attached individuals (intended recipients) must be formally attached on orders to an organization for duty, administration, and military justice.

b. The evaluation report rating chain of the attached Soldier must include a rating official from the organization of attachment or input from officials in the organization of attachment.

c. Written concurrence must be obtained from the same level of awards approval authority in the attached Soldier's assigned chain of command. In individual cases that require expeditious processing, telephonic concurrence may be obtained. A memorandum of agreement or understanding may be used for specific personnel or units on a long-term basis.

d. Prior to awarding an attached Soldier a decoration, the commander of the unit of attachment will ensure that no derogatory information or pending adverse action exists in the command of assignment.

e. If a commander of a unit of assignment does not concur with relinquishing award approval authority, recommendations will be forwarded to the command of assignment for processing and decision.

2-5. **Awards Board.**

   a. Each approving authority and/or major command will establish and conduct an awards board for the purpose of ascertaining the validity and administrative correctness of recommendations and of making board recommendations to the approving commanders for their approval or disapproval. COL and LTC level commanders are also encouraged to establish awards boards.
(1) Board composition will include not less than three members and adequate representation from subordinate commands.

(2) Each board will be officially appointed and instructed in the appropriate written format.

(3) Board meetings will be scheduled and conducted to assure that recommendations are addressed on a timely basis.

(4) Board results will be formalized in writing, addressed to the appointing commanders.

b. The Texas Military Forces (TXMF) Awards Board.

(1) The TXMF Awards Board is the board for:

(a) Recommendations for Federal decorations that require a higher level approving authority than are delegated within the state.

(b) Federal decorations for members of HQ, Joint Force Headquarters (JFHQ), the commanders of Texas Military Forces major commands and other members of the Texas Military Forces specifically recommended for decorations by the Adjutant General or other members of HQ, Joint Force Headquarters.

(c) State of Texas decorations for the Texas Military Forces, the TXSG, members of the active military components (except the USAF) and members of other state military forces that require a higher level approving authority than are delegated within the state.

(d) TXMF Awards Board Matrix (Appendix E) will be used to process awards for State and Federal awards.

(2) The TXMF Awards Board will be composed of the following members or their designated permanent representative at a minimum:

(a) Assistant Adjutant General – Army or Air (President)
(b) Director of Personnel, J1 (Secretary)
(c) Representative, Texas Army National Guard
(d) Representative, Texas Air National Guard
(e) Representative, Texas State Guard
(f) State Command Sergeant Major
(g) Awards NCO (Recorder)
Section II
Criteria

2-6. General. This section includes only those state decorations pertinent to peacetime service, the recommendations for which may originate within the Texas Military Forces.

2-7. State of Texas Decorations. State of Texas decorations are described in Appendix A.

a. Texas Legislative Medal of Honor. The Texas Legislative Medal of Honor is awarded to any member of the Texas Military Forces who, by voluntary act or acts, shall have distinguished himself/herself conspicuously by gallantry and intrepidity at the risk of their life. The deed performed must have been one of personal bravery or self-sacrifice, as conspicuous as to have clearly distinguished the individual for gallantry and intrepidity above his/her comrades and must have involved risk of life. Incontestable proof of the performance of the service will be exacted and each recommendation for this award will be considered on the standard of extraordinary merit.

b. Lone Star Medal of Valor. The Lone Star Medal of Valor is awarded to any member of the Texas Military Forces who distinguished himself/herself by specific acts of bravery or outstanding courage, or a closely related series of heroic acts involving personal hazard or danger and the voluntary risk of life and which resulted in an accomplishment so exceptional and outstanding as to clearly set the individual apart from his/her comrades or from other persons in similar circumstances. The required gallantry for award of this medal, while of lesser degree than that required for the award of the Texas Legislative Medal of Honor, must nevertheless be performed with marked distinction.

c. Texas Purple Heart. The Texas Purple Heart is awarded to any member of the Texas Military Forces, after 11 September 2001, who was inducted into federal service from the Texas Military Forces, meet the criteria for an award of the federal Purple Heart Medal.

d. Texas Superior Service Medal. The Texas Superior Service Medal is awarded to any member of the Texas Military Forces who, completed 30 or more years of honorable state service or a combination of state and federal service, while serving in assigned key leadership positions, demonstrated superior performance and service or any civilian assigned to the Texas Military Forces who contributed significant service to the State Military Forces.

e. Lone Star Distinguished Service Medal. The Lone Star Distinguished Service Medal is awarded to any member of the Texas Military Forces who, while serving in any capacity with the Texas Military Forces, shall have distinguished himself/herself by exceptionally outstanding achievement or service to the State of Texas in the performance of duties of great responsibility. The Adjutant General has final approval and disapproval authority. No subsequent awards are authorized.

f. Texas Outstanding Service Medal. The Texas Outstanding Service Medal is awarded to any member of the Texas Military Forces serving in any capacity, whose performance has been such as to merit recognition for service performed in a superior and clearly outstanding manner.
g. **Texas Medal of Merit.** The Texas Medal of Merit is awarded to any member of the Texas Military Forces who distinguished himself/herself by outstanding service, extraordinary achievement or act(s) of courage on behalf of the State of Texas or the United States.

(1) Meritorious achievement or meritorious service includes that service rendered specifically on behalf of the Texas Military Forces, and/or to the United States Military Forces. It also includes acts of courage which do not meet the requirements for award of a higher State of Texas decoration.

(2) Superior performance of normal duties does not, in itself, constitute automatic justification for an award of the Texas Medal of Merit. Awards will be restricted to the recognition of achievements and services that are clearly outstanding and unmistakably exceptional when compared to similar achievements of personnel of like rank and responsibilities. This service or achievement, although clearly outstanding, is of a lesser degree than that service or achievement required for a higher State of Texas decoration. Successful accomplishment of a pre-designated number of tasks or functions is not a valid basis for an automatic award. However, unusual and extraordinary sustained performance may be used as a point of departure in justifying meritorious achievement or service.

(3) In instances where many individuals are affiliated with an exceptionally meritorious program, project, or mission, the Texas Medal of Merit will be awarded only to those relatively few individuals whose contributions clearly stand out from the others and who have contributed most to the success of the program.

(4) The Texas Medal of Merit is awarded for act(s) of courage which involve personal hazard or danger and the voluntary risk of life but which, although sufficient to clearly set the individual apart from his/her comrades or from other persons in similar circumstances, is of a lesser degree than required for the Lone Star Medal of Valor. When awarded for act(s) of courage, a bronze block letter “V” will be included; see 5-5f.

h. **Adjutant General’s Individual Award.** The Adjutant General’s Individual Award is awarded to any member of the Texas Military Forces who, while serving in any capacity with the Texas Military Forces, shall have distinguished himself/herself by meritorious achievement or outstanding service, when such action or duty is extremely noteworthy but of a lesser degree than that required for award of a higher State of Texas decoration.

**Section III**

**Recommendations**

2-8. **General.**

a. Recommendations will be submitted in accordance with paragraph 2-11.

b. A separate recommendation will be submitted for each proposed award of a decoration, and only one proposed awardee will be named in a single recommendation. The exception is
when more than one awardee is submitted for an award and the reason for the proposed award is identical for each awardee. All awards recommendations will include TXMF Form 67-1, Texas Military Forces Awards Checklist (Appendix F), and TXMF Form 67-2, Texas Military Forces Datasheet (Appendix G) for each award.

   a. Each recommendation for an award must be formally entered into command channels within two years of the act, achievement, or service to be honored. To be fully effective, an award must be timely. Undue delay in submitting a recommendation may preclude its consideration. It is highly desirable that a recommendation be placed in channels and acted upon as quickly as possible. If exceptional circumstances preclude submission of a completely documented recommendation, it is best to submit it as soon as possible and note that additional data will be submitted later.

   b. Recommendations for decorations to be considered for approval by TXMF level boards, as indicated in paragraphs 2-5b, will be forwarded through command channels to arrive not later than 60 days prior to the desired presentation date. The TXMF awards board typically convenes only once per month. There will be no “walk-thru” awards except as authorized by the Assistant Adjutant General for Army or Air.

   c. Recommendations for decorations that must be considered at a higher level (i.e. Legion of Merit and above) will be forwarded through command channels to arrive at TXMF level awards boards not later than 120 days prior to the desired presentation date.

   d. Commanders and other individuals who submit recommendations will anticipate awards in conjunction with such predictable events as retirement, discharge, transfer, or reassignment to comply with suspense schedules.

2-10. Submission of Recommendations for TXMF. All recommendations for State of Texas awards will be submitted on TXMF Form 67. Particular attention should be paid to the following items and special instructions:

   a. Part I: Personal Data.

      (1) Item 5 will indicate the unit to which the individual was assigned at the time of the act, achievement, or when the service was ended. If the present unit is different, special mention will be made by cover letter.

      (2) Item 7 must be completed on all awards, although items 7a and b need not be completed unless the award is posthumous. Item 7b will list the next of kin who should be presented the award in accordance with paragraph 1-21b.

      (3) Paragraph 2-9 will be reviewed prior to completing item 8. This information will enable intermediate and approving commanders to plan their responses.

      (4) The entry in item 9 should only be "yes" if the interim award has already been approved. This item should not be completed until final action has been taken on an interim
award. Item 9 must be completed prior to submission of the recommendation. A copy of the permanent orders and citation for the interim award will accompany the recommendation.

b. Part II.

(1) With the exception of item 12, this section will only be completed for recommendations for awards for meritorious achievement or service. Item 12 will show all decorations awarded the individual, but not the interim award shown in item 9 or any federal or state service medals, badges, or foreign awards.

(2) When the Adjutant General’s Individual Award is proposed for award to more than one individual for an identical reason (e.g. performance during State Active Duty for a national disaster or other emergency), blocks 11 and 12 will be left blank.

c. Part III. This section concerns recommendations for awards for heroism. It is applicable to and will be completed only on recommendations for State of Texas awards for acts of heroism performed in the State, in peacetime, in a non-federalized status.

(1) Item 13d refers to the unit to which the witnesses were assigned at the time of the recommended awardee’s act of heroism.

(2) Statements of eyewitnesses, in the form of certificates, affidavits, or sworn statements should be attached as enclosures. There should be a statement from each individual listed in item 13a.

(3) Items 14a-d refers to the friendly forces. Information on the enemy should appear in the narrative.

d. Part IV. The proposed citation will be typed double-spaced and the font will not exceed 12 characters per inch and eight lines total. Citations for heroism awards and the Lone Star Distinguished Service Medal may be continued on one double-spaced typewritten page (8 ½ x 11 inches). In view of the inherent historical value of the award certificate, it is imperative that the citation typed thereon be written with care. The citation should contain no abbreviations whatsoever. The use of pompous language is wasteful of the limited space in this section. Embellishment of the proposed citation is clearly unnecessary, for the certificate itself displays the appropriate dignity of the award.

e. Narrative Description of the Act, Meritorious Achievement, or Meritorious Service. The narrative description will be written using short, simple, direct, and accurate facts in straightforward language. The content of this description will be evaluated to determine if the award is justified. A narrative description is not required for recommendations to award the Adjutant General’s Individual Award (AGIA); the proposed citation for the AGIA will also serve as the narrative justification.

(1) The narrative description of the act, achievement, or service will be limited to one double-spaced typewritten page (8 ½ x 11 inches). Descriptions on awards for heroism and the
The Lone Star Distinguished Service Medal will be attached to TXMF Form 67 and annotate item 16 “Narrative”.

(2) A narrative for an award for heroism must contain a description of the following elements: Where the event took place; if pertinent, terrain and weather of the area in which the event took place; conditions, to include morale, casualties and situation prior to, during and after the act; the effect of the act on others; the action of comrades in the immediate vicinity of the act and the degree of their participation in the act; if the act occurred in aerial flight, the type and position of the aircraft and the individual crew's position; the degree to which the act was voluntary; the degree to which the act was outstanding and exceeded what was normally expected of the individual; all unusual circumstances; and overall effects or results of the act. Statements of eyewitnesses, preferably in the form of certificates, affidavits or sworn statements, extracts from official records, sketches, maps, diagrams, photographs, etc., will be attached to support and amplify stated facts for heroism awards.

(3) A narrative for the award of the Lone Star Distinguished Service Medal will include the title and assigned duties of the individual and a factual description of how the individual exceeded the requirements of his/her position. The individual performance of his/her duties should be compared to others of like rank and experience in similar positions. The results or effects of the individual performance should be described.

f. To ensure accuracy of information and avoid corrections to published orders and certificates, the recommending official will verify all items on the TXMF Form 67 against the individual’s OMPF.

g. Premature disclosure of information to an individual being recommended for an award is a potential source of embarrassment to the recommending official in the event of disapproval or downgrade, and therefore should be avoided.

a. Recommendations for awards will be forwarded through command channels to the commander authorized to approve or disapprove them. Each intermediate commander will recommend approval or disapproval, stating his/her reasons if disapproval or downgrade is recommended.

b. Procedures will be established at each headquarters to ensure that every recommendation for an award is processed with a minimum of delay. Recommendations forwarded to JFTX-J1-AD should arrive not later than 30 days after the initiator signs the recommendation. This is the maximum permissible time; the average elapsed time should be considerably less.

c. Awards boards will schedule meetings as necessary to ensure that command consideration of board recommendations and resulting command actions can be accomplished in a timely manner.

2-12. Action by Final Approving Authority.

24
a. A recommendation for the award of a decoration based on a period of meritorious service normally will not be acted on more than 60 days prior to the projected end of that period.

b. The official to whom authority has been delegated to take final action may--

(1) Award the decoration recommended.

(2) Award a lesser decoration or consider any interim award as adequate recognition.

(3) Disapprove award of any decoration.

(4) Recommend award of a higher decoration, when appropriate.

c. The authority taking final action will--

(1) Retain the recommendation in his headquarters.

(2) Notify the initiator of the final action.

(3) Issue orders announcing the award. Such orders will revoke the lesser award when applicable.

(4) Issue the medal and certificate for the award.

(5) Issue the citation (for heroism award).

(6) Ensure that the social security number is not entered on the citation or certificate due to the provisions of the Privacy Act.

(7) Distribute copies of appropriate documents, including disapproval and downgraded recommendations, to the individual’s OMPF in accordance with current regulations.

NARRATIVE TO ACCOMPANY THE AWARD OF THE
TO
Colonel Bones McCoy

Colonel Bones McCoy, Texas Medical Command, Texas Army National Guard, distinguished himself in numerous important assignments over the twenty-five year period 15 December 1985 through 31 December 2005. After several years of service in the Army Space Command, Colonel McCoy jointed the Texas National Guard, lending his previous training and expertise to enhancing the medical fitness and readiness of Texas units. He spent over twenty cumulative years ministering to the 36th Infantry Division where he served as an Internist and Surgeon, including two years as the Division Surgeon. During this time he also held leadership roles as Medical Platoon Leader and Company commander, devoting several years to the direct support of the Divisions Soldiers. In August 1991, Colonel McCoy was assigned to the crucial and prestigious position of State Surgeon, where his medical and leadership experience was instrumental in analyzing requirements and implementing health standards and policies for the Texas Guard. A strong advocate of quality training, teamwork, and coordinated efforts, Colonel McCoy directed the use of Spartan personnel and equipment resources to their fullest advantage. As a result of his determined leadership, the medical readiness of Texas Soldiers and units was significantly enhanced, which was a key element in the selection of many of them for several mobilizations and deployments. Colonel McCoy’s military career has been a chronology of selfless service and dedication to duty. Support to the commanders and Soldiers has been his watchword and his stellar accomplishments bear out his devotion to that principle. Colonel McCoy well represents that small body of citizens who serve not only as medical professionals to preserve health and life, but also as accomplished Soldiers. His example is in the highest traditions of military service and brings great credit to him and the Texas Military Forces.

Note: Narrative is double-spaced and limited to one page except for Texas Legislative Medal of Honor (TLMH), Lone Star Medal of Valor (LSMV), and the Lone Star Distinguished Service Medal (LSDSM) which are limited to two pages.

INSTRUCTIONS FOR NARRATIVE JUSTIFICATION

C-1. Each recommendation for a decoration is evaluated on the merits of the justification presented. Recommendations based on generalities, broad or vague terminology, superlative adjectives, or a recapitulation of duties normally performed do not permit adequate evaluation. Narratives should be factual and specific. Give concrete examples of exactly what the member did, how he/she did it, and what benefits or results significantly exceeded expected performance of duty, i.e., time or dollars saved, program improved, exceptional achievements, increased effectiveness, etc. NOTE: The narrative should include the period and unit of the act or achievement.

C-2. Recommendations based on meritorious service: Generally, a recommendation for decoration based on meritorious service must be for a completed period of service that is normally indicated by retirement, separation, or PCS. However, if the recommendation related to a person whose services have been clearly outstanding and unmistakably exceptional for an extended period of time and it is clearly indicated that there is not a clear-cut, projected, or reasonably foreseeable termination date of the current job assignment, the decoration may be awarded by the appropriate authority based on the period of service.

C-3. Recommendations based on outstanding achievement: An award based on outstanding achievement is intended to recognize a single specific act or accomplishment that is separate and distinct from regularly assigned duties. The period of an outstanding achievement is usually less than one year and is normally characterized by definite beginning and ending dates. The specific achievement must be sufficiently outstanding as to be readily distinguished from meritorious service and must clearly warrant immediate recognition. Timely recognition dictates submission of the recommendation not later than 60 calendar days after completion of the act or achievement.

C-4. The narrative is limited to accomplishments that occurred within the opening and closing dates. An individual's entire career may be considered in determining the level of decoration for retirement; however, the remarks in the narrative should be limited to accomplishments subsequent to the members' last decoration, unless the previous award was based upon achievement. Do not refer to a prior military career in another branch of service.

C-5. Narrative justification is limited to ONE double spaced typewritten page (8 1/2 x 11 inches) with the exception of the Texas Legislative Medal of Honor, the Lone Star Medal of Valor, and the Lone Star Distinguished Service Medal, which are limited to two pages. Narrative will be in blocked format.

C-6. On submissions of the Adjutant General’s Individual Award and the Texas Humanitarian Service Ribbon for more than one individual, a piece of plain bond paper with a list of the individuals' name, rank, SSN, unit (if different from the narrative), and the sequence of the award will be attached to the narrative. (see example in Appendix B)

e. Each recommendation for a State of Texas military decoration must be entered administratively into channels within two years of the act, achievement or service to be honored. However, if an award recommendation was entered and misdirected in the system, then the award can be resubmitted anytime with an explanation as to where it had been filed.

D-1-4. **Character of Service for Personal Decorations.** A medal will not be awarded or presented to any individual whose entire service subsequent to the time of the distinguished act, achievement, or service has not been honorable. Commanders will ensure that:

a. Individuals on whom favorable personnel actions will have been suspended will not be recommended for or receive awards.

b. Other-than-honorable service subsequent to submission of the recommendation for an award will be promptly reported to the awards approving authority with a recommendation for appropriate action.

D-1-5. **Succeeding Awards.** For each succeeding act or period of service that justifies the award of such decoration, the device designated to denote successive awards, as appropriate to the medal (e.g. oak leaf cluster, numeral, white enameled star) will be awarded, except posthumous awards to next of kin.

D-1-6. **Processing Recommendations.**

a. Recommendations for awards will be forwarded through command channels stating reasons for the recommendation to the commander authorized to approve them. Each intermediate commander will recommend approval, stating key reasons if disapproval is recommended.
