

**INDIVIDUAL STUDENT ASSESSMENT PLAN
(ISAP)**

ARNG Officer Candidate School

1. References. TRADOC Regulation 350-70, Army Learning Policy and Systems, and TRADOC Pamphlet 350-70-5.

2. Requirements. The ISAP will be presented to candidates as part of initial counseling/inprocessing. TRADOC 350-70 and TRADOC PAM 350-70-5 requires the ISAP be provided in writing and explains evaluation methods, counseling, exams, retesting policy, nonacademic assessment requirements and graduation requirements. The ISAP will be posted in common areas for the students to review.

3. Individual Student Assessment Plan (ISAP) Per TR 350-18.

The ISAP details how the proponent school determines if a candidate has demonstrated the required level of competency to pass the course or training. It identifies course completion requirements to include the minimum passing score or a (GO/NO-GO) for each written or performance examination, final grade requirements, minimum course attendance requirements (if applicable) and specific assessments that must be satisfactorily completed to graduate. It identifies how the candidate's performance must be assessed. Specific lessons assessed in each assessment are identified. Counseling and reassessment policy are delineated. Other evaluations that affect graduation, such as the Army Weight Control Program and Army Physical Fitness tests are identified, and their requirements included.

4. You will be administered two (2) written exams and one (1) hands on evaluation during Phase I; Leadership, Army Training Management and a Land Navigation Practical (Night into Day). You will be administered five (5) written exams during Phase II; Military History, Supply, Tactics and Operations, Justice, Call for Fire and a Leadership Evaluation Report (LER). During Phase III, you will be evaluated on the Troop Leading Procedures, while conducting a squad training exercise.

a. Each written exam is given equal weight (weighted the same—100 points).

b. Exams are closed book; notes or reference will not be allowed during exams.

c. Exams consist of both multiple choice questions and scenarios. Candidates must select the best possible answer of the options available. In order to receive a passing score, you must answer the required percentage of the questions correctly.

d. Candidates who fail an exam will be counseled in writing on DA Form 4856, will receive remedial training and be retested. Candidates must pass all written examinations or retests with the score required on the lesson plan or higher depending on the exam requirement. Only one (1) retest will be given per exam. A second retest is given only under exceptional circumstances and must be recommended by the Company Commander and approved by the Battalion Commander. The Candidate who passes the retest will be awarded the minimum passing score per the lesson plan regardless of actual score they receive; all test scores will be annotated on the End of Course Summary.

e. Candidates cannot fail more than three (3) written exams. Failing three (3) written exams in both Phase I and Phase II combined, will result in academic probation. A fourth failure will result in a recommendation to the Battalion Commander for possible dismissal from the course. The candidate must be counseled on a DA Form 4856 of the consequences of the academic probation. See ANNEX-A for flow chart included with this ISAP.

f. If you feel your exam was graded incorrectly or a question on the exam had an error, you may bring it to your Instructor's attention during the exam review. Your Instructor will review your concern with the Senior Instructor and/or the Test Control Officer.

After the review you will be advised if a retest will be permitted. All identified errors will be submitted to the OCS Subject Matter Expert (SME) and forwarded to the Maneuver Center of Excellence (MCoE), Fort Benning, GA.

5. Leadership Position Evaluations. Each Candidate will be evaluated a minimum of one Leadership Position during Phase I, and a minimum of two (2) during Phase II. Phase III Candidate's will receive an evaluation during the LRC and FLX II operations. Leadership evaluation and counseling in OCS measures observed performance, not potential. Assessment is purposely subjective using Actions, Skills and Attributes from ADP 6-22 /ADRP 6-22. Candidates must pass one (1) LER in Phase II & one (1) FLER in Phase III with an "E" or "S" using the E-S-N scale (Excellent, Satisfactory or Needs Improvement).

6. Medical Recycle / Dismissal: Inability to complete the course because of poor health is grounds for dismissal from the course. Mental Health difficulties, other than situational maladjustment are included in this category.

a. A Candidate may be recycled if a profile is issued. If the profile causes limited participation or missing mandatory training. Candidates missing an excess of eight hours of training or are unable to participate in PRT in any capacity may be relieved, and must start that phase of training over.

b. Candidates who receive one or more profiles, limiting participation or missed training while in OCS may be dismissed from the course.

c. If the Candidate's physical condition has changed and the candidate can no longer meet the commissioning physical requirements. After the OCS Board reviewed their application and during their attendance in OCS, the candidate may be relieved from the course.

7. If you miss or cannot actively participate in eight (8) or more hours of scheduled training you may be recommended for recycle. Only the Battalion Commander can make exceptions to this policy, for all three (3) phases.

11. Academic Evaluation Report (AER). The ARNG End of Course Summary is used to track the completion of all test scores and training events in all phases of OCS.

12. Honor Code violations. An Officer Candidate will not lie, cheat, steal, nor tolerate those who do. A violation of this code may result in a recommendation for dismissal. See ARNG OCSOP for detailed information concerning the Honor Code.

13. Determining Class Honors/Awards. Any system that awards honors must be devoid of any impropriety or any appearance of impropriety. To avoid this, the ARNG OCS program uses an objective system to determine each state OCS Honor graduate and the next two candidates that will graduate with honors. While the leadership evaluations are subjective and comprise a portion of an Officer Candidate's score, collectively they are numbered evaluations, and when considered together create an objective opinion of that Officer Candidate's leadership abilities as compared to his or her peers. There are three (3) different Honor Awards given individually: the Distinguished Honor Graduate (who is the Erickson Trophy recipient), the Second Honor Graduate, and the Third Honor Graduate. There are three (3) other awards given; the Academic Award, the Physical Fitness Award, and the Leadership Award.

14. Components of the Honor Awards System. Officer Candidates receive honor awards based on their performance in four (4) major areas of the course: Academics, APFT #2, leadership evaluations, and peer evaluations. Any Officer Candidate that failed any of the three (3) major areas and had to retest, excluding leadership evaluations, will not be in the running for an honor award. A "Not Satisfactory" on a leadership evaluation does not disqualify an Officer Candidate from being considered for honor awards.

15. Each college or university makes the decision about assigning and accepting credits for Officer Candidate School (OCS). The American Council of Education, in Washington D.C., evaluated the curriculum for OCS. The Council's credit recommendations are in "A Guide to the Evaluation of Education Experiences in the Armed Forces.

16. Dismissal and Recycle from the OCS Course.

a. Non-academic dismissal. See attached diagram for Non-academic dismissal and recycle. This includes motivational and disciplinary dismissal from the current phase of training and /or the OCS Course.

b. Academic dismissal. See attached diagram for academic dismissal and recycle. Academic dismissal and recycle are conducted when a candidate fails an exam and retest with a score below 70% or after the 4th test failure.

See attached diagram for appeals. Appeals will be submitted to the School Commandant or Commander who will refer the proposed action and the appeal to the OSJA to determine legal sufficiency of the dismissal decision.
