-
- 1. This message is effective upon release and will expire no later than 30 September 2026.
 - 2. The United States Army Reserve (USAR) and Army National Guard (ARNG) are seeking qualified Servicemembers to become Cyber Operations Specialists (17C). Cyber Operations Specialists execute Offensive and Defensive Cyberspace Operations to support full range of military operations by enabling actions and generating effects across all domains. The Cyber Operations Specialist ensures the freedom of maneuver within the Cyberspace Domain and denies the same to adversaries. Cyber Operations Specialists will generate outcome based

cyber effects intended to project power by the application of force in and through cyberspace by targeting enemy and hostile adversary activities and capabilities. Cyber Operations Specialists generate cyber effects to protect data, networks, net-centric capabilities, and other designated systems by detecting, identifying, and responding to attacks against friendly networks.

3. This message applies to Enlisted Servicemembers in the USAR and the ARNG. USAR Individual Mobilization Augmentation (IMA) and Individual Ready Reserve (IRR) Servicemembers need to contact HRC for reclassification opportunities and position slotting before submitting a packet:

(<https://www.hrc.army.mil/content/Reserve%20Component%20Command%20Management> or usarmy.knox.hrc.mbx.rpmd-ima-irr-branch@army.mil). ARNG IMA & IRR Servicemembers need to contact their State G1 for reclassification opportunities and position slotting before submitting a packet. Active Component (AC) Servicemembers who are in a 6-month window from ETS and are interested in joining USAR or ARNG Cyber ranks may participate in 17C reclassification panels. For the ARNG, the AC Servicemember must be in contact with their local ARNG recruiting office. For the USAR, the AC Servicemember must contact their local USAR unit Career Counselor (79V): <https://www.usar.army.mil/ARCG/ARCG-Units/> .

4. This memorandum establishes guidance for the reclassification eligibility procedures for Military Occupational Study (MOS) 17C, Cyber Operations Specialist. Servicemembers in the grade of E-4 – E-8 seeking reclassification to MOS 17C must be selected for reclassification prior to attending the MOS 17C course.

a. ARNG E-8 (MSG/1SG) and above must contact the National Guard Bureau (NGB) for approval prior to submitting a packet. USAR E-8 and above must contact the Army Reserve Cyber Protection Brigade (ARCPB) for approval prior to submitting a packet.

b. All E-9s (SGM/CSM) must be in a valid 17Z position before submitting a packet.

c. Servicemembers in the grade of E-4 (SPC) must contact their Recruiting & Retention or Readiness NCO for initial determination of eligibility. Once eligibility is determined, a packet can be submitted per this MILPER. E-4's must meet the following qualifications:

7. Reclassification Processing Procedures:

a. The guidelines for all applicants are listed at: <https://armyeitaas.sharepoint-mil.us/teams/CCOE-OCC-ReserveDivision>. Letters to the president of the panel can be included if needed to address concerns within the application.

b. ARNG Servicemembers will submit the application to their local unit for review. Units will send reclassification packets to ARNG Multi-Domain Activities Division (ARNG-MDAD) at: ng.ncr.ngb-arnng.list.cyber@army.mil. ARNG-MDAD will review all packets, consolidate and forward to the Cyber Proponent for panel submission. Packets submitted directly by applicants will not be accepted for consideration.

c. USAR Servicemembers will submit the application packet to their unit / command for review. Commands will forward all eligible and complete packets to Reserve Component Division, Office Chief of Cyber (usarmy.gordon.cyber-coe.mbx.rcao-cyber@army.mil). RC will coordinate with Cyber Protection Brigade (ARCPB) for packet review and possible position placement (usarmy.usarc.arcpb.mbx.npe-s3-cmd@army.mil). Packets must be submitted through unit S-1, Commanders, or Commander's Designee. Packets submitted directly by applicants will not be accepted for consideration.

- d. All applicants must understand and meet requirements for Cyber Enlisted MOS Standards outlined in DA PAM 611-21 and DA PAM 600-25: <https://www.army.mil/G-1#org-g-1-resources>. Waiver requests for DA PAM 611-21 requirements must be included in the application packet.
 - e. Applicants must submit their branch transfer packet in a single Adobe .pdf file. Packets created with embedded attachments or as a portfolio will not be accepted and will be returned without action. Submissions must be in the order of the checklist and will not be accepted in any other format. The Checklist can be found on the Cyber Reserve Component SharePoint: <https://armyeitaas.sharepoint-mil.us/teams/CCOE-OCC-ReserveDivision>.
8. Servicemembers approved for reclassification and accepted into a valid position will request to attend the 17C AIT Course, Phases 1 and 2 at Fort Gordon, GA via ATRRS through the gaining Cyber unit's training representative. Courses will be scheduled based on Servicemember availability and course dates.
